Adriatic Metals PLC (ASX:ADT & FSE:3FN) ('Adriatic' or the 'Company') is pleased to announce the appointment of Mr. Michael Rawlinson as an independent Non-Executive Director, effective immediately.

Mr Rawlinson is a former investment banker with over 20 years experience focused on the mining and metals sector. He was previously Global Co-Head of Mining and Metals at Barclays investment bank where he worked since 2013 having joined from the boutique investment bank, Liberum Capital which he co-founded in 2007. After starting his career in the City of London at Flemings in 1991, he joined Cazenove in 1996 before leaving JP Morgan Cazenove in 2007 where he was Head of EMEA Mining and Metals. He has been both a corporate financier and research analyst covering the mining sector and has extensive capital markets experience, having worked on the IPOs and follow-on offerings for a number of companies including Anglo American, Billiton, Xstrata, Glencore, Gem Diamonds, as well as the Company's own IPO in 2006. He is also Senior Independent Non-Executive Director at Hochschild Mining plc and Independent Non-Executive Director at UK-listed Capital Drilling Limited and works with a number of private entities. In addition, Mr Rawlinson served as a Non-Executive Director of Talvivaara Mining Company Plc between April 2012 and November 2013.

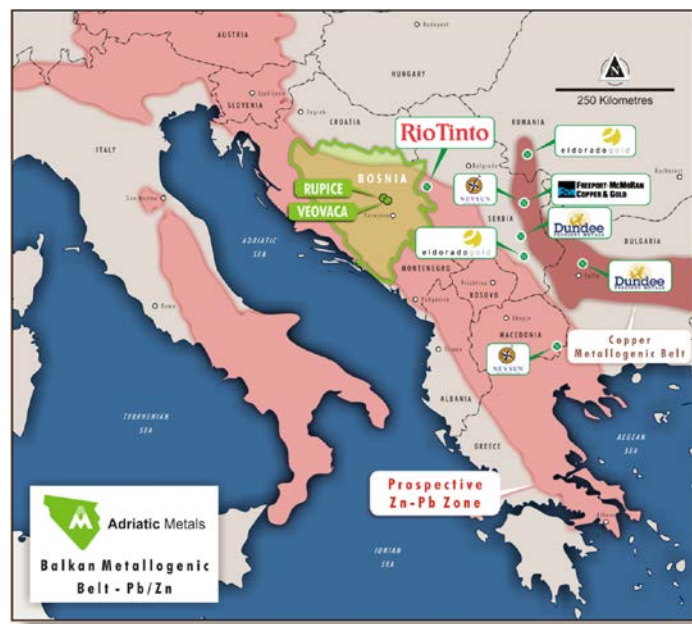

Adriatic's Chairman, Peter Bilbe commented *"The addition of Michael Rawlinson significantly strengthens the board of Adriatic. Michael has a formidable reputation as a highly successful resource specialist, whose knowledge of the London investment market will be invaluable to our small, but rapidly growing company over the coming years. We are delighted that Michael has accepted our invitation to join the board and welcome his valuable contribution to the future success of Adriatic Metals."*

ABOUT ADRIATIC METALS

Adriatic Metals PLC (ASX:ADT) (“Adriatic” or “Company”) is an ASX-listed zinc polymetallic explorer and developer via its 100% interest in the Vareš Project in Bosnia & Herzegovina. The Project comprises a historic open cut zinc/lead/barite and silver mine at Veovaca and Rupice, an advanced proximal deposit which exhibits exceptionally high grades of base and precious metals. Adriatic’s short-term aim is to expand the current JORC resource at Veovaca and to complete an in-fill drilling programme at the high-grade Rupice deposit. Adriatic has attracted a world class team to expedite its exploration efforts and to rapidly advance the Company into the development phase and utilise its first mover advantage and strategic assets in Bosnia.
