Register of ASX Listing Rule Waivers

Rule Number	6.23.3
Date	30/03/2020
ASX Code	NXS
Listed Company	NEXT SCIENCE LIMITED
Waiver Number	WLC200037-001
Decision	<p>1. Based solely on the information provided, ASX Limited ('ASX') grants Next Science Limited (the 'Company') a waiver from listing rule 6.23.3 to the extent necessary to permit the Company to change the terms of 650,000 options issued to Donald Ayers and 260,000 options issued to Jayme Colhoun ('Options'), so that the Options will be exercisable up to the expiry date for those Options, regardless of whether or not the Option holder's employment ceases and the Options would otherwise have lapsed prior to the expiry date in accordance with the terms of the Company's employee incentive plan, on condition that the Company obtains shareholder approval for the change.</p>
Basis For Decision	<p>Underlying Policy Listing rule 6.23.3 stipulates that changes to option terms which have the effect of reducing the exercise price, increasing the exercise period or increasing the number of securities received on exercise are prohibited. These terms are considered to be so fundamental and integral to the terms of the options when granted that they cannot be changed even with the approval of shareholders. These option terms determine the intrinsic value (if any) which may be attributed to the options. The valuation of the options and investors' decisions whether to buy, hold, sell, or exercise the options depends upon investors having certainty as to the terms of the options. To ensure the integrity of the market, any changes to the fundamental terms of the options are prohibited.</p> <p>Present Application The Company intends to amend the terms of an employee incentive plan to permit the terms of certain issued employee options to remain undisturbed following the cessation of that employee's employment. Currently any vested options must be exercised within the earlier of 3 months following termination of employment and the expiry date for those options, and any unvested options terminate immediately and cease to be exercisable. Such a change effectively increases the period for exercise of these options and consequently requires a waiver from listing rule 6.23.3.</p> <p>The waiver is granted on the basis that the options are unquoted and only represent approximately 0.479% of the Company's fully diluted share capital. The waiver is granted on condition that shareholder approval is obtained for the change.</p>

Register of ASX Listing Rule Waivers

Rule Number	6.23.4
Date	27/03/2020
ASX Code	SPX
Listed Company	SPECTRUM METALS LIMITED
Waiver Number	WLC200041-001
Decision	<p>1. Based solely on the information provided, ASX Limited ('ASX') grants Spectrum Metals Limited ('SPX') a waiver from listing rule 6.23.4 to the extent necessary to permit the Company to amend, without shareholder approval, the terms and conditions of the following options:</p> <p>1.1 15,000,000 unquoted options exercisable at \$0.01 expiring 4 May 2023;</p> <p>1.2 32,500,000 unquoted options exercisable at \$0.015 expiring on 30 June 2021;</p> <p>1.3 1,500,000 unquoted options exercisable at \$0.015 expiring on 30 June 2023;</p> <p>1.4 10,000,002 unquoted options exercisable at \$0.035 expiring on 26 March 2022;</p> <p>1.5 15,000,000 unquoted options exercisable at \$0.081 expiring on 9 August 2022;</p> <p>1.6 9,999,999 unquoted options exercisable at \$0.025 expiring on 26 March 2022;</p> <p>1.7 9,999,999 unquoted options exercisable at \$0.03 expiring on 26 March 2022;</p> <p>1.8 2,000,000 unquoted options exercisable at \$0.10 expiring on 30 November 2022;</p> <p>1.9 2,500,000 unquoted options exercisable at \$0.11 expiring on 30 November 2022; and</p> <p>1.10 2,500,000 unquoted options exercisable at \$0.12 expiring on 30 November 2022</p> <p>which are on their terms incapable of transfer, to permit their transfer to Ramelius Resources Limited's ('RMS') wholly owned subsidiary Mount Magnet Gold Pty Ltd ('Bidder') on the following conditions:</p> <p>1.11 The Takeover Bid has been declared unconditional; and</p> <p>1.12 The Bidder has acquired voting power in the Company of at least 50.1%</p>
Basis For Decision	<p>Underlying Policy This rule sets out the circumstances in which option terms can be changed. Some terms can be changed with the approval of holders of issued ordinary securities. This ensures that an appropriate balance is maintained between the rights of holders of issued ordinary securities and the holders of options.</p> <p>Present Application SPX is subject to an off market takeover bid and certain unquoted options granted by SPX have terms which provide that they are not to be transferred. SPX shareholders are not disadvantaged by option holders transferring existing options, as consideration is to be provided by bidder. The waiver is granted conditional on the takeover offer becoming unconditional and the bidder holding at least 50.1% in the target. The requirement to receive security holder approval for transfer of options for consideration is superfluous.</p>

ASX Code	WND
Listed Company	WINDLAB LIMITED
Waiver Number	WLC200044-001
Decision	<p>1. Based solely on the information provided, ASX Limited ('ASX') grants Windlab Limited (the 'Company') a waiver from Listing Rule 10.1 to the extent necessary to permit the Company to grant security over the assets and undertaking of the Company in favour of Federation Wind Acquisition Pty Ltd and Squadron Energy Pty Ltd (together, the 'Lenders') (the 'Security') to secure the Company's obligation under the loan facility provided by the Lenders for an amount up to \$20,000,000, with the loan term of three years, with a loan interest rate of 15% per annum and the facility held in the name of a security trustee for the benefit of the Lenders and drawn down by the Company as required (the 'Loan Facility') provided by the Lenders without obtaining shareholder approval, on the following conditions:</p> <p>1.1 the material terms of the transaction and of the waiver are announced to the market;</p> <p>1.2 the announcement includes a description of the reasons why the entity has chosen to obtain the financial accommodation from the Listing Rule 10.1 party rather than a lender that is not a Listing Rule 10.1 party and the steps the board of the entity has taken to satisfy itself that the transaction is being entered into on arm's length terms and is fair and reasonable from the perspective of the holders of the entity's ordinary securities;</p> <p>1.3 the security documents expressly provide that:</p> <p>1.3.1 the Security is limited to the funds due under the financial accommodation;</p> <p>1.3.2 the Security will be discharged when the funds due under the financial accommodation have been satisfied in full;</p> <p>1.3.3 in the event the Security is enforced, the assets can only be disposed of to the Lenders or an associate of the Lenders if the disposal is first approved by the entity's security holders under Listing Rule 10.1; and</p> <p>1.3.4 otherwise, if the holder of the security exercises, or appoints a receiver, receiver and manager or analogous person to exercise, any power of sale under the Security, the assets must be sold to an unrelated third party on arm's length commercial terms and the net proceeds of sale distributed to the Lenders in accordance with their legal entitlements;</p> <p>1.4 any variation to the terms of the financial accommodation or the Security which:</p> <p>1.4.1 advantages the Lenders in a material respect;</p> <p>1.4.2 disadvantages the Company in a material respect; or</p> <p>1.4.3 is inconsistent with the terms of the waiver;</p> <p>must be subject to security holder approval under Listing Rule 10.1; and</p> <p>1.5 for each year while they remain on foot, a summary of the material terms of the financial accommodation and the security is included in the related party disclosures in the entity's audited annual accounts.</p>
Basis For Decision	<p>Underlying Policy</p> <p>Listed entities are required to obtain the approval of security holders for an acquisition from, or disposal to, a person in a position to exercise influence over the entity of a substantial asset. The votes of security holders who are parties to the transaction, and their associates, are not counted. Listed entities are required to obtain an</p>

independent expert's report on the fairness and reasonableness of the transaction and send it to security holders to accompany the notice of security holders' meeting. This rule protects security holders from a value-shifting transaction with a person in a position of influence being undertaken by a listed entity without the disinterested security holders having approved that transaction with the benefit of full information. The rule supplements the related party provision of the Corporations Act (or, in the case of foreign entities, the related party provisions of the law of their home jurisdiction).

Present Application

A waiver from Listing Rule 10.1 is warranted as the Company's obligations under the Loan Facility provided by two entities associated with two separate substantial holders of the Company will be secured over the assets of the Company. The granting of a security in favour of the related party Lenders constitutes a disposal of a substantial asset within the meaning of Listing Rules 10.1 and 10.2. Listing Rule 19.12 defines "dispose" to include "using an asset as collateral". In its preliminary final report for the year ended 31 December 2020 (released to the market on 28 February 2020), the Company's total equity was \$45,362,098. The Loan Facility is \$20,000,000, pursuant to which the Company is using all of its assets as collateral, is more than 5% of the Company's total equity. Accordingly, the use of all of the Company's assets as collateral constitutes the disposal of a "substantial asset" for the purposes of Listing Rule 10.2. The Company is granted a waiver from Listing Rule 10.1 to enable it to have in place a security over its assets in favour of the related party Lenders, subject to a number of conditions, including that the security documents provide that in the event the Security is exercised, neither the related parties or any of their associates are entitled to acquire the assets without the Company first complying with any applicable Listing Rules, including Listing Rule 10.1. This condition provides a sufficient safeguard against value-shifting to the related parties.
