## Register of ASX Listing Rule Waivers

<b>Rule Number</b>	1.1 condition 12
<b>Date</b>	12/07/2021
<b>ASX Code</b>	AE1
<b>Listed Company</b>	AERISON GROUP LTD
<b>Waiver Number</b>	WLC210151-001
<b>Decision</b>	<p>1. Based solely on the information provided, ASX Limited ('ASX') grants Aerison Group Limited (the 'Company') a waiver from listing rule 1.1 condition 12 to the extent necessary to permit the Company to have on issue up to 17,500,000 performance rights with a nil exercise price ('Performance Rights'), issued to the spouses of two directors of the Company, Mr Giuseppe Leone and Mr Daniel Hibbs, on condition that the material terms and conditions of the Performance Rights are clearly disclosed in the Company's initial public offering prospectus.</p>
<b>Basis For Decision</b>	<p><b>Underlying Policy</b>            If an entity seeking admission to the official list has options or performance rights on issue, the exercise price for each underlying security must be at least 20 cents in cash. This rule supports listing rule 2.1 condition 2 which requires the issue price or sale price of all securities for which an entity is seeking quotation (except options) upon admission to the official list to be at least 20 cents in cash. These requirements together support the integrity of the ASX market, as they demonstrate that the entity's ordinary securities have a minimum value suitable for a listed entity.</p> <p><b>Present Application</b>            The Company has applied for admission to the Official List of ASX. The Company proposes to issue the Performance Rights to the spouses of two directors of the Company in exchange for personal indemnities provided by those persons. The Performance Rights are expected to represent approximately 9.17% of the Company's ordinary shares on issue at the time of admission on an undiluted basis. The Performance Rights are subject to a milestone which will be satisfied by the admission of the Company to the Official List. The Performance Rights will then convert with a nil exercise price on a one-for-one basis to ordinary shares 15 months after the satisfaction of the milestone. At the time of listing, the Performance Rights will be akin to unlisted zero exercise price options. It is considered that the existence of the Performance Rights will not undermine the 20 cent rule in the circumstances.</p>

The Performance Rights are fixed in number and will be held by Directors and are therefore unlikely to have any impact on the trading price of the Company's shares. The Performance Rights will convert into ordinary shares in the Company on a one-for-one basis on the vesting date, being the achievement of the two milestones, subject to satisfaction of the relevant vesting conditions. It is considered that the existence of Performance Rights will not undermine the existence of the 20 cent rule in the circumstances. <b>Waiver Number</b>	WLC210156-002
<b>Decision</b>	<p>1. Based solely on the information provided, ASX Limited ('ASX') grants High Grade Metals Limited (the 'Company'), in connection with the acquisition of all the issued capital of Jade Gas Pty Ltd ('Acquisition') and a proposed capital raising of \$7,500,000 via the issue of ordinary shares at an issue price of \$0.03 ('Capital Raising'), a waiver from listing rule 2.1 condition 2 to the extent necessary to permit the issue of 250,000,000 fully paid ordinary shares pursuant to the Capital Raising ('Capital Raising Shares') at an issue price less than \$0.20 per share, subject to the following conditions:</p> <p>1.1 The issue price of the Capital Raising Shares is not less than \$0.02 per share.</p> <p>1.2 The terms of this waiver are disclosed to the market and, along with the terms and conditions of the Capital Raising Shares, are clearly disclosed in the notice of meeting pursuant to which the Company will seek the approval required under listing rule 11.1.2 for the Acquisition and in the prospectus to be issued in respect of the Capital Raising.</p> <p>1.3 The Company's shareholders approve the issue price of the Capital Raising Shares in conjunction with the approval obtained under listing rule 11.1.2 in respect of the Acquisition.</p>
<b>Basis For Decision</b>	<p><b>Underlying Policy</b> Listing rule 2.1 condition 2 requires that the issue or sale price of all securities that an entity, at the time of its application for admission to the official list, seeks to have quoted must be at least 20 cents. # Register of ASX Listing Rule Waivers

<b>Rule Number</b>	4.7B
<b>Date</b>	1/07/2021
<b>ASX Code</b>	PXA
<b>Listed Company</b>	PEXA GROUP LIMITED
<b>Waiver Number</b>	WLC210153-001
<b>Decision</b>	<p>1. Based solely on the information provided, ASX Limited ('ASX') grants Torrens Group Holdings Limited (to be renamed PEXA Group Limited) (the 'Company') a waiver from Listing Rule 4.7B to the extent necessary that the Company not be required to provide quarterly cash flow reports for the eight quarters after the Company's admission to the official list, and Listing Rule 4.10.19 to the extent necessary that it not be required to include the information required by that rule in the Company's first two annual reports, on the condition that the Company makes an announcement confirming that it expended the funds raised in the manner as indicated in the Prospectus to pay costs of the offer and repay shareholder loans before 30 September 2020.</p>
<b>Basis For Decision</b>	<p><b>Underlying Policy</b>  Listing Rule 1.3.2(b) requires an entity that has half or more of its total tangible assets in the form of cash or in a form readily convertible to cash to have commitments consistent with its business objectives to spend at least half of its cash and assets in a form readily convertible to cash.</p> <p>Listing Rule 4.7B(a) was introduced as a complement to Listing Rule 1.3.2(b) requiring entities admitted under that rule, referred to as commitments test entities, to provide quarterly cash flow reports for the first eight quarters after listing or such longer period as set by ASX. It is ASX's practice to extend the obligation for a commitments test entity until it has established a history of positive net operating cash flow. The entity must give ASX the completed Appendix 4C immediately on the information being available, and in any event, within one month after the end of each quarter of its financial year. The quarterly cash flow report, Appendix 4C, requires information in relation to expenditures by the entity and the entity's cash flow generally. This information assists the market to understand the extent to which the entity is achieving its business objectives and goals, and its financial liquidity. It is considered that it is valuable to the market to receive quarterly cash flow reports from such entities, to assist in achieving a high level of transparency about such entities' operating models, use of funds, and liquidity position.</p> <p><b>Present Application</b>  The Company will use the proceeds of the offer to pay the costs of the offer and repay shareholder loans, which will reduce the proportion of its total tangible assets in the form of cash immediately after raising funds, to less than half either before or shortly after listing. A condition is that the Company makes an announcement confirming it has expended the funds raised in a manner as indicated in the Prospectus prior to the date its first quarterly report would have been required under Listing Rule 4.7B. The Company's circumstances are within the parameters set out in paragraph 10 of Guidance Note 23 - Appendix 4C. In those circumstances, it is not considered that the grant of a waiver offends the principles of the rule.</p>

<b>Decision</b>	<p>1. Based solely on the information provided ASX Limited ('ASX') grants Woolworths Group Limited (the 'Company') a waiver from Listing Rule 6.23.2, in connection with the demerger of its retail drinks and hospitality businesses, Endeavour Group Limited ('Endeavour') (the 'Demerger'), to the extent necessary to permit the Company to cancel awards granted by the Company under its Woolworths Incentive Share Plan ('Awards'), held by employees of the Company who will become (if not already) employees of Endeavour, without seeking shareholder approval, on the following conditions.</p> <p>1.1 The shareholders of the Company approve the Demerger as set out in the Demerger Booklet dated 10 May 2021 (the 'Demerger Booklet').</p> <p>1.2 Full details of the cancellation of the Awards are set out to ASX's satisfaction in the Demerger Booklet.</p>
<b>Basis For Decision</b>	<p><b>Underlying Policy</b> The cancellation of options for consideration requires the approval of holders of ordinary securities to prevent option holders from seeking to extract an economic benefit from the listed entity that has granted the options, other than by exercising options according to their terms. This requirement maintains an appropriate balance between the rights and holders of ordinary securities and holders of options and supports the integrity of the ASX market.</p> <p><b>Present Application</b> The Company has undertaken a restructure whereby its retail drinks businesses are now held by Endeavour, an entity which the Company has an approximate 85.4% interest in. As part of the Demerger, Awards held by employees of the Company who will become employees of Endeavour (or who have already become employees of Endeavour since the restructure) are to be cancelled. Endeavour intends to grant replacement awards under a new employee incentive plan. The Company's shareholders will not be disadvantaged on condition that there is sufficient disclosure in the Demerger Booklet and shareholders approve the Demerger, and accordingly, the requirement to obtain separate shareholder approval under listing rule 6.23.2 for the cancellation of the Awards is superfluous.</p>

<b>Decision</b>	<p>1. Based solely on the information provided, ASX Limited ('ASX') grants Woolworths Group Limited (the 'Company') a waiver from Listing Rule 6.23.3, in connection with the demerger of its retail drinks and hospitality businesses, Endeavour Group Limited ('Endeavour') (the 'Demerger'), to the extent necessary to permit the Company to amend the terms of the awards ('Awards') under the Deferred Short Term Incentive Plan, Recognition Share Plan, Woolworths Extraordinary Share Plan, Woolworths Incentive Share Plan, Sign-on / Retention Plan and the US Non-Executive Director Equity Plan (together, the 'Plans'), which may have the effect of increasing the number of shares received upon vesting and, where applicable, the exercise of the relevant award, on the following conditions.</p> <p>1.1 The shareholders of the Company approve the Demerger as set out in the Demerger Booklet dated 10 May 2021 (the 'Demerger Booklet').</p> <p>1.2 Full details of the amended terms of the Plans are set out to ASX's satisfaction in the Demerger Booklet.</p> <p>1.3 The adjustments to the number of ordinary shares to which holders of the Awards may be entitled to upon vesting or exercise is such that the holders of the Awards do not receive a benefit that holders of the Awards would not have received before the Demerger.</p>
<b>Basis For Decision</b>	<p><b>Underlying Policy</b> Listing Rule 6.23.3 stipulates that changes to options, which has the effect of reducing the exercise price, increasing the exercise period, or increasing the number of securities received on exercise is prohibited. These terms are considered to be so fundamental and integral to the terms of the options when granted that they cannot be changed even with the approval of shareholders. These option terms determine the intrinsic value (if any) which may be attributed to the options. The valuation of the options and investors' decisions whether to buy, hold, sell, or exercise, the options depends upon investors having certainty as to the terms of the options. To ensure the integrity of the market any changes to the fundamental terms of the options are prohibited.</p> <p><b>Present Application</b> The Company has undertaken a restructure whereby its retail drinks businesses are now held by Endeavour, an entity which the Company has an approximate 85.4% interest in. Following the Demerger the theoretical value of each share in the Company will be reduced by an amount equal to the value of one share in Endeavour. Accordingly, the value of the Awards will reduce by a corresponding amount. The waiver is granted to permit the Company to amend the terms of the Awards so that upon vesting and, where applicable, exercise of the relevant Award, there may be an increase in the number of ordinary shares the holder may receive.</p>

ordinary security holders may reasonably have had in contemplation at the time of giving their approval.

Where a listed entity has entered into a commercial transaction which calls for the issue of securities as consideration at future times that necessarily will fall longer than 3 months after the date of a shareholders' meeting, ASX's policy is to permit entities to seek shareholder approval for the issue of all the securities that may be issued under that transaction over the various phases, provided that the milestones to be achieved which trigger the obligation to issue the securities are appropriate to the entity and the transaction in all the circumstances, and adequate information can be given to shareholders about the future issues of securities. This allows the entity and the counterparty to the agreement to have commercial certainty about the ability of the entity to issue securities as the counterparty performs its obligations, while maintaining the principle that shareholders must give their informed consent to future issues of securities.

### Present Application

Subject to shareholder approval, the Company is proposing to issue up to 20,000,000 ordinary shares as Deferred Consideration Securities as part consideration for the 100% acquisition of the issued capital of Sentry Group Pty Ltd to be issued no later than early September 2022 subject to Sentry achieving the revenue target of \$3,553,900. Shareholders will therefore know the maximum dilution at the time of voting on the resolution. There is a sufficient degree of certainty so that shareholders are able to give their informed consent to the issue of the Deferred Consideration Securities. The extension of time requested by the Company is within ASX precedent for similar waivers.

for the purpose of Listing Rule 7.1 if the issue did not breach Listing Rule 7.1 and the holders of ordinary securities subsequently approve it. Listing Rule 7.5 sets out the information required to be included in the notice of meeting for the holders to approve the agreement to issue, or issue, subsequently. In particular, Listing Rule 7.5.4 requires that if the securities have not yet been issued, the date by which the entity will issue the securities must be no later than 3 months after the date of the meeting. This rule ensures that an agreement to issue securities that has been approved by security holders is made within a reasonable timeframe following the approval, so that it is less likely that the circumstances in which the issue is made will have changed materially from those prevailing at the time the approval was given.

#### Present Application

The Company is seeking shareholder approval so that if it elects to issue the Third Tranche Consideration Shares, its placement capacity would be the same as if the Third Tranche Consideration Shares had been issued with shareholder approval. The maximum number of Third Tranche Consideration Shares to be issued will be known and will be included in the Notice, therefore the estimated potential dilution is known. Shareholders are therefore able to give their informed consent to the issue of the Third Tranche Consideration Shares. The effective duration of the waiver is limited to 8 months (being 1 month after the performance Milestone in the Third Tranche could be achieved) as the Third Tranche Consideration Shares would fall out of the Company's Listing Rule 7.1 calculation after this time. The extension of time requested by the Company to issue the Third Tranche Consideration Shares is within ASX precedent for similar waivers.

This ensures that an appropriate balance is maintained between the rights of holders of issued ordinary securities and the holders of options.</p> <p><b>Present Application</b> The Company has undertaken a restructure whereby its retail drinks businesses are now held by Endeavour, an entity which the Company has an approximate 85.4% interest in. the 66.7% interest will issue compulsory acquisition notices for the remainder of the shares in Tartana. The securities of the Company issued to the Tartana shareholders are subject to escrow restrictions in chapter 9 and Appendix 9B of the Listing Rules. The Tartana shareholders who receive shares in the Company as consideration for the acquisition of their Tartana shares are technically vendors of a classified asset for the purposes of their classification under Appendix 9B.

ASX will apply escrow restrictions on a 'look through' basis where there is a scrip-for-scrip acquisition of an unlisted entity that holds classified assets by a listed or to-be listed entity, and the unlisted entity that is acquired by the to-be listed entity does not return capital, distribute any assets or make any unusual distributions to its shareholders before the acquisition becomes effective. A waiver is granted under Listing Rule 9.1(b) to permit the Tartana shareholders to be treated as seed capitalists of the Company and escrow restrictions to be applied on a 'look through' basis in relation to the consideration shares and options to be issued as part of the proposed transaction. Cash formula relief is applicable using the conversion ratio calculation, and will be subject to the relevant escrow period for their classification. This upholds the principle of the listing rule escrow regime.

Based solely on the information provided, ASX Limited ('ASX') grants R3D Resources Limited (the 'Company') a waiver from Listing Rule 9.1(c) to the extent necessary to permit the Company to apply the restrictions in paragraphs 1 and 2 of Appendix 9B (as applicable) to the ordinary shares to be issued to the existing shareholders of Tartana Resources Limited ('Tartana'), as follows:</p> <p>1.1 The shares issued to the shareholders of Tartana who subscribed with cash for their shares in Tartana are treated as being held by unrelated party seed capitalists of the Company or Tartana.</p> <p>1.2 Cash formula relief is applicable to those shares that are issued to persons who subscribed for their Tartana shares for cash consideration.</p> <p>1.3 For the purposes of determining the length of the escrow period for shares issued to unrelated seed capitalists which are subject to 12 month escrow, the 12 month escrow period will begin on the date on which the cash subscription for their shares was made.</p> <p>2. Resolution 1 is conditional upon the following conditions:</p> <p>2.1 the Company acquiring 90% of the issued shares of Tartana;</p> <p>2.2 the Company lodging a compulsory acquisition notice with the Australian Securities and Investment Commission in respect of the shares in Tartana it does not acquire; and</p> <p>2.3 the Company providing compulsory acquisition notices to all persons as required under section 661B of the Corporations Act.</p>
<b>Basis For Decision</b>	<p><b>Underlying Policy</b></p> <p>Securities issued in certain circumstances, including in consideration for the acquisition of classified assets from related or unrelated vendors prior to an initial public offering or a re-compliance listing, are classified as restricted securities and are to be held in escrow for a certain period. Under Listing Rule 9.1(c), an entity that issues securities classified as restricted securities to seed capitalists and unrelated vendors must apply the restrictions required by a restriction notice as required by Appendix 9C.</p> <p>Unless ASX decides otherwise, restrictions generally do not apply to securities under Listing Rule 9.2 issued by:</p> <p>1.1 an entity admitted under the profit test;</p> <p>1.2 an entity that has a track record of profitability or revenue that is acceptable to ASX; or</p> <p>1.3 an entity that, in ASX's opinion has a substantial proportion of its assets as tangible assets or assets with a readily ascertainable value.</p> <p><b>Present Application</b></p> <p>The Company is acquiring a relevant interest of at least 90% of shares in Tartana via an off-market takeover bid and upon acquiring the 90% interest will issue compulsory acquisition notices for the remainder of the shares in Tartana. The securities of the Company issued to the Tartana shareholders are subject to escrow restrictions in chapter 9 and Appendix 9B of the Listing Rules. The Tartana shareholders who receive shares in the Company as consideration for the acquisition of their Tartana shares are technically vendors of a classified asset for the purposes of their classification under Appendix 9B.</p> <p>ASX will apply escrow restrictions on a 'look through' basis where</p>

there is a scrip-for-scrip acquisition of an unlisted entity that holds classified assets by a listed or to-be listed entity, and the unlisted entity that is acquired by the to-be listed entity does not return capital, distribute any assets or make any unusual distributions to its shareholders before the acquisition becomes effective. A waiver is granted under Listing Rule 9.1(c) to permit the Tartana shareholders to be treated as seed capitalists of the Company and escrow restrictions to be applied on a 'look through' basis in relation to the consideration shares to be issued as part of the proposed transaction. Cash formula relief is applicable using the conversion ratio calculation, and will be subject to the relevant escrow period for their classification. This upholds the principle of the listing rule escrow regime.

<b>Listed Company</b>	WOOLWORTHS GROUP LIMITED
<b>Waiver Number</b>	WLC210162-005
<b>Decision</b>	<p>1. Based solely on the information provided, ASX Limited ('ASX') grants Woolworths Group Limited (the 'Company') a waiver from Listing Rule 10.1 to the extent necessary to permit the Company and Endeavour Group Limited to have in place arrangements which cover sub-lease of premises leased to the Company to provide for a sharing of the costs of the Company lease, without shareholder approval, on the following conditions.</p> <p>1.1 The Demerger Booklet dated 10 May 2021, in ASX's opinion, adequately discloses the material terms of the sub-lease arrangements.</p> <p>1.2 A summary of the material terms of the sub-lease arrangements is made in each annual report of the Company during the term of the sub-lease arrangements.</p> <p>1.3 Any material variation to the terms of the sub-lease arrangements is subject to shareholder approval under Listing Rule 10.1, should Listing Rule 10.1 apply to the sub-lease arrangements at that time.</p> <p>1.4 The exercise of any option for renewal of the sub-lease arrangements will be subject to shareholder approval under Listing Rule 10.1, should Listing Rule 10.1 apply to the sub-lease arrangements at that time.</p>
<b>Basis For Decision</b>	<p><b>Underlying Policy</b> Listed entities are required to obtain the approval of security holders for an acquisition from, or disposal to, a person in a position to exercise influence over the entity of a substantial asset. The votes of security holders who are parties to the transaction, and their associates, are not counted. Listed entities are required to obtain an independent expert's report on the fairness and reasonableness of the transaction and send it to security holders to accompany the notice of security holders' meeting. This rule protects security holders from a value-shifting transaction with a person in a position of influence being undertaken by a listed entity without the disinterested security holders having approved that transaction with the benefit of full information. The rule supplements the related party provisions of the Corporations Act (or, in the case of foreign entities, the related party provisions in the law of their home jurisdiction).</p> <p><b>Present Application</b> The Company has entered into sub-leases with Endeavour Group Limited in respect of stores leased to the Company in connection with the restructure pursuant to which the Company has combined its retail drinks and hospitality businesses to create Endeavour Group Limited. There are approximately 499 sub-leases that have been entered into as part of the restructure. The period of the sub-leases are for the same period as is remaining under the relevant Company lease, being between 5 and 12 years. The sub-lease arrangements provide for the sharing of the costs of the Company lease based on proportion of trading area. Accordingly, there does not appear to be any apparent opportunity for value shift. The material terms of the sub-lease are required to be disclosed in the demerger booklet. The waiver is granted on the basis that a decision to trade in the Company's securities after the release of the demerger booklet and voting on the demerger itself takes the place of shareholder approval</p>

# Register of ASX Listing Rule Waivers

<b>Rule Number</b>	10.14
<b>Date</b>	9/07/2021
<b>ASX Code</b>	SLH
<b>Listed Company</b>	SILK LOGISTICS HOLDINGS LIMITED
<b>Waiver Number</b>	WLC210158-001
<b>Decision</b>	<p>1. Based solely on the information provided, ASX Limited ('ASX') grants Silk Logistics Holdings Limited (the 'Company'), a waiver from Listing Rule 10.14 to the extent necessary to permit the Company to issue 1,295,629 options to its directors (and their associates) under the Company's employee incentive plan ('Incentive Plan') and convert such options into ordinary shares upon the exercise of such options, without shareholder approval on the following conditions:</p> <p>1.1. the initial public offering prospectus to be issued in connection with the listing of the Company contains the information required by Listing Rule 10.15 in respect of the proposed issue of options;</p> <p>1.2. in each case, the date by which the Company will issue the options under the Incentive Plan must be no later than 3 years from the date of the Company's admission to the official list of ASX; and</p> <p>1.3. details of any options issued to the directors (and their associates) under the Incentive Plan must be published in the Company's annual report relating to the period in which they were issued.</p>
<b>Basis For Decision</b>	<p><b>Underlying Policy</b> Under Listing Rule 10.14, listed entities are required to obtain the prior approval of security holders for an issue of equity securities to related parties, even if pursuant to their participation in an employee incentive scheme. This rule is directed at preventing related parties from obtaining securities on advantageous terms and increasing their holding proportionate to the holdings of other security holders, without the prior consent of the ordinary security holders. The rule protects ordinary security holders' interests by supplementing the related party provisions of the Corporations Act 2001 (Cth) (and any related party provisions applying to foreign entities under relevant legislation).</p> <p><b>Present Application</b> The Company has applied for admission to the official list of ASX. It intends to issue securities to directors (and their associates) under the terms of an employee incentive plan. Under Listing Rule 10.14, security holders may approve an issue of securities to a director pursuant to an employee incentive scheme for a period of up to 3 years. A waiver from Listing Rule 10.14 is granted on the basis that where a future issue of equity securities to a director under a scheme is disclosed in an initial listing document, persons who subscribe under the IPO with notice of the future issue of securities to the related party, may be taken effectively to have consented to the issue, and it is unnecessary to submit the issue to a security holders' meeting for approval. The disclosure of the details of the future issue must be adequate and consistent with the information that would be required under Listing Rule 10.15 in a notice of meeting. Accordingly, a waiver from Listing Rule 10.14 is granted as the Company's initial public offering prospectus contains adequate disclosure about the proposed issues of options to directors and the options will be issued within three years of the Company's admission to the official list, which is consistent with the requirements of Listing Rule 10.15.</p>
