# Register of ASX Listing Rule Waivers

<b>Rule Number</b>	Appendix 1A item 116
<b>Date</b>	12/06/2008
<b>ASX Code</b>	PVA
<b>Listed Company</b>	PSIVIDA CORP.
<b>Waiver Number</b>	WLC080155-003
<b>Decision</b>	The Company be granted a waiver from Appendix 1A paragraph 116 to permit the Company not to include a statement in the information memorandum that it will not need to raise capital in the three months after the date of issue of the information memorandum.
<b>Basis For Decision</b>	<p>Underlying Policy Requirement for prospectus or Product Disclosure Statement or if ASX agrees, information memorandum - provides platform for continuous disclosure - necessary to adequately inform the market - requirement in paragraph 116 of Appendix 1A that information memorandum state that entity has not raised capital in the previous three months and will not raise capital in the next three months demonstrates that entity has no need for capital and there it would be onerous to require the issue of a prospectus or Product Disclosure Statement.</p> <p>Present Application Entity to be incorporated in Delaware and to be listed on Nasdaq and Frankfurt Stock Exchange - entity is successor entity to Australian company listed on ASX - change of domicile to be effected by scheme of arrangement between ASX listed entity and its shareholders - successor entity to use information memorandum (incorporates scheme booklet) rather than prospectus for the purpose of listing rule 1.1 condition 3 - successor entity's ability to raise funds in the three months after the date of the information memorandum should be preserved as it is simply the successor entity to the already listed entity which had the ability to raise funds on the market - no concern that entity is seeking to avoid preparing prospectus quality information - waiver to permit information memorandum requirement in item 116 not to be complied with.</p>
