<b>Listed Company</b>	BRANDRILL LIMITED
<b>Waiver Number</b>	WLC090511-001

## Present Application

Resolution to be put to security holders to ratify a completed placement - notice of meeting will contain voting exclusion statement in accordance with listing rule 7.5.6 - voting exclusion statement precludes any votes of nominee from being counted on resolution to ratify placement of securities if nominee holds securities on behalf of any underlying beneficiary who participated in the placement - purpose of rule is to exclude voting by persons with an interest in the outcome of the resolution - in case of ratification of placements, persons who participated in placement are excluded from voting - nominees hold shares on behalf of beneficial holders, some of whom participated in placement and some of whom did not - not intention of rule that the votes attributable to beneficial holders who did not participate in a placement should be excluded along with the votes attributable to beneficial holders who did participate in the placement - waiver permits votes of nominee on behalf of underlying beneficiaries to be counted, provided beneficiary confirms to nominee that it did not participate in the placement, and beneficiary directs nominee to vote for or against the resolution.
