Waiver Number	WLC090624-001
Decision	The Company be granted a waiver from listing rule 1.1 condition 2 to the extent necessary to permit the Company's constitution not to comply with the listing rules to the extent that it provides for the issue of non-voting shares, on condition that the Company undertakes not to issue any non-voting shares, on terms inconsistent with the listing rules without ASX approval while the Company remains an ASX listed entity. Register of ASX Listing Rule Waivers

Present Application

Entity seeking shareholder approval for the establishment of remuneration arrangements pursuant to terms of MEREP Plan for the purposes of listing rule 7.1, 10.14 and 10.19 - notice of special general meeting contains voting exclusion statement in accordance with listing rules 7.1, 10.19, 10.14 and 14.11 - persons who participated or may participate in relevant offers are excluded from voting on resolution, as are their associates - definition of "associate" adopts definition in the Corporations Act - voting exclusion statement precludes votes of trustees of trusts (where a participant in the offers the subject of the resolution is a beneficiary of trust) from being counted on resolution to approve issue of securities even if trustees of large superannuation or equity funds and the participant in the offer holds a relatively small holding in proportion to the size of the fund - not intention of rule that all the votes that might be cast by such trustees should have to be excluded on account of the interests of a relatively insignificant beneficial interest in the trust.
