| Date | 1/07/2010 |
| ASX Code | IOK |
| Listed Company | INDUSTRIAL BANK OF KOREA |
| Waiver Number | WLC100209-003 |
| Decision | ASX grants the Issuer a waiver from the following listing rule. Listing rule 3.10.3 to the extent that the Issuer need only advise ASX of a proposed issue of Notes if they are to be quoted on ASX. |
| Basis For Decision | <p>Underlying Policy Entity must tell ASX of proposed issue of securities - if issue is bonus issue or pro rata issue entity must give ASX an Appendix 3B - maintains an informed market.</p> <p>Present Application Debt securities to be issued under the Programme and to be quoted on ASX issued in wholesale debt market only - Issuer has more than one programme which allows for the issue of securities in a number of jurisdictions globally - Noteholders aware of Issuer's ability to issue notes without limit or consent - investment decisions by Noteholders more closely linked to credit rating of the Issuer rather than dilution by further issuances - Issuer has current credit rating of 'A1' from Moody's, 'A' from Standard & Poors and 'A+' by Fitch Ratings - frequent issuances in various jurisdictions would provide unduly and impractical administrative burden on Issuer to notify ASX of every issuance - notification of every issuance will not add to continuous disclosure regime - waiver granted to permit Issuer to only advise ASX of a proposed issue of Notes that are to be quoted on ASX.</p> |

Company's loan agreement involves a loan between a substantial holder and the Company - security for moneys owing under the loan agreement is to be granted in form of fixed and floating charges over the assets of the Company - grant of security over assets amounts to disposal and involves substantial asset - the substantial holder is not entitled under security to acquire the asset without Company first complying with relevant listing rules, including listing rule 10.1 -- exclusion of the substantial holder from acquiring or dealing with the asset removes the potential for the substantial holder to acquire the asset at a discount to its value - purpose of listing rule 10.1 achieved.
