Rule Number	1.1 condition 8
Date	14/10/2019
ASX Code	HMC
Listed Company	HOME CONSORTIUM
Waiver Number	WLC190304-001
Decision	<p>1. Based solely on the information provided, ASX Limited ("ASX") grants Home Consortium Limited ("HCL") and Home Consortium Developments Limited ("HCDL") (together the "Companies"), fully paid ordinary shares in which are stapled together on a 1:1 basis ("Stapled Securities") to form a stapled entity known as Home Consortium ('HMC'), a waiver from listing rule 1.1 condition 8 to the extent necessary that there need not be the minimum number of holders of securities with a value of at least \$2,000 in each of the Companies, on condition that each ordinary fully paid share in each of the Companies are stapled together to form the Stapled Securities, and there is at least the minimum number of holders of securities, each holding a parcel of Stapled Securities with a value of at least \$2,000.</p>
Basis For Decision	<p>Underlying Policy An entity seeking admission to the official list of ASX must demonstrate that it complies with one of the security holder spread tests in listing rule 1.1 condition 8 following any capital raising undertaken in connection with the listing. The tests require that there be a certain minimum number of holders of securities in the ordinary class holding parcels of securities with a particular minimum value, or a lower minimum number of holders but a minimum proportion of the freely tradeable ordinary securities (i.e., not classified as restricted securities by ASX) must be held by non-related persons. By meeting one of these requirements, an applicant entity demonstrates that there is sufficient investor interest in its securities for it to be suitable as a listed entity.</p> <p>Present Application HMC has applied for listing on ASX as a stapled entity comprising the Companies. HMC's securities will trade as Stapled Securities, each consisting of one share in each of the Companies. On that basis, it is appropriate to grant a waiver from the requirement that each of the Companies have the minimum number of holders of securities with a value of at least \$2,000, on condition that there is the minimum number of holders of Stapled Securities in the Group with a value of at least \$2,000.</p>

Rule Number	1.1 condition 9
Date	14/10/2019
ASX Code	HMC
Listed Company	HOME CONSORTIUM
Waiver Number	WLC190304-002
Decision	<p>1. Based solely on the information provided, ASX Limited ("ASX") grants Home Consortium Limited ("HCL") and Home Consortium Developments Limited ("HCDL") (together the "Companies"), fully paid ordinary shares in which are stapled together on a 1:1 basis ("Stapled Securities") to form a stapled entity known as Home Consortium ('HMC'), a waiver from listing rule 1.1 condition 9 to the extent necessary not to require each of the Companies to comply with listing rule 1.3, on condition that each ordinary fully paid share in each of the Companies are stapled together to form the Stapled Securities, and together the Companies meet the tests in that listing rule.</p>
Basis For Decision	<p>Underlying Policy Listing rule 1.1 requires an entity applying for admission to the official list of ASX to meet various conditions before it is admitted. Listing rule 1.1 condition 8 requires the applicant entity to satisfy either a profit test under listing rule 1.2 or the assets test under listing rule 1.3. These rules require the financial performance and/or financial position of an entity applying for admission to the official list, to be at a minimum level suitable for a listed entity. An entity must have a minimum level of profits, net tangible assets or market capitalisation before it will be eligible for admission to the official list.</p> <p>Present Application HMC has applied for listing on ASX as a stapled entity comprising the Companies. HMC's securities will trade as Stapled Securities, each consisting of one share in each of the Companies. The waiver is granted so that either the profit or assets test can be satisfied by HMC, rather than individually by the Companies.</p>

Rule Number	1.1 condition 12
Date	2/10/2019
ASX Code	DLC
Listed Company	DELECTA LIMITED
Waiver Number	WLC190299-001
Decision	<p>1. Based solely on the information provided, ASX Limited ("ASX") grants Delecta Limited (the "Company"), in connection with the acquisition of 100% of the issued capital of American Vanadium Pty Ltd ("Acquisition"), a waiver from Listing Rule 1.1 condition 12 to the extent necessary to permit the issue of the following options:</p> <p>1.1 40,000,000 options to Coral Brook Pty Ltd ATF The Lloyd Superannuation Fund (or its nominee) with an exercise price of \$0.03 per option and an expiry date of three years from the date of issue.</p> <p>1.2 76,500,000 options to directors and proposed directors and officers, being 25,500,000 options with an exercise price of \$0.03, 25,500,000 options with an exercise price of \$0.04 and 25,500,000 options with an exercise price of \$0.05, and an expiry date of three years from the date of issue;</p> <p>1.3 6,000,000 options to the proposed Company Secretary, being 2,000,000 options with an exercise price of \$0.03, 2,000,000 options with an exercise price of \$0.04 and 2,000,000 options with an exercise price of \$0.05, and an expiry date of three years from the date of issue;</p> <p>1.4 25,500,000 options to the Company's lead manager, being 8,500,000 options with an exercise price of \$0.03; 8,500,000 options with an exercise price of \$0.04 and 8,500,000 options with an exercise price of \$0.05, and an expiry date of three years from the date of issue;</p> <p>(together, "Options"), with an exercise price of less than \$0.20 per Option, subject to the following conditions:</p> <p>1.4.1. The exercise price of the Options is not less than \$0.02.</p> <p>1.4.2. The terms of this waiver are disclosed to the market and, along with the terms and conditions of the Options, are clearly disclosed in the notice of meeting pursuant to which the Company will seek the approval required under Listing Rule 11.1.2 for the Acquisition and in the prospectus to be issued in respect of the Capital Raising.</p> <p>1.4.3. The Company's shareholders approve the issue price of the Options in conjunction with the approval obtained under Listing Rule 11.1.2 in respect of the Acquisition.</p>
Basis For Decision	<p>Underlying Policy Listing rule 1.1 condition 12 requires that the exercise price for each underlying security of options on issue, at the time of its application for admission to the official list, must be at least 20 cents. The requirement demonstrates that its securities have a minimum value, suitable for a listed entity.</p> <p>Present Application Standard Decision, refer to Guidance Note 17.</p>

Rule Number	1.1 condition 12
Date	14/10/2019
ASX Code	HMC
Listed Company	HOME CONSORTIUM
Waiver Number	WLC190304-003
Decision	<p>1. Based solely on the information provided, ASX Limited ("ASX") grants Home Consortium Limited ("HCL") and Home Consortium Developments Limited ("HCDL") (together the "Companies"), fully paid ordinary shares in which are stapled together on a 1:1 basis ("Stapled Securities") to form a stapled entity known as Home Consortium ('HMC'), a waiver from listing rule listing rule 1.1 condition 12 to the extent necessary to permit HMC to have 783,583 performance rights on issue with a nil exercise price, on the condition the material terms and conditions of the performance rights are clearly disclosed in HMC's initial public offering prospectus.</p>
Basis For Decision	<p>Underlying Policy If an entity seeking admission to the official list has options or performance rights on issue, the exercise price for each underlying security must be at least 20 cents in cash. This rule supports listing rule 2.1 condition 2 which requires the issue price or sale price of all the securities for which an entity is seeking quotation (except options) upon admission to the official list to be at least 20 cents in cash. These requirements together support the integrity of the ASX market, as they demonstrate that the entity's ordinary securities have a minimum value suitable for a listed entity.</p> <p>Present Application HMC has applied for listing on ASX as a stapled entity comprising the Companies. HMC will have on 783,583 rights with a nil exercisable price issued to directors, key management personnel and employees under an employee equity plan and non-executive director equity plan at the time of listing. The rights will represent approximately 0.39% of HMC's issued capital on an undiluted basis on listing. The waiver is granted on the basis that the rights will represent a small proportion of HMC's issued capital on an undiluted basis post admission to ASX. The percentage on a post admission basis is not considered material and the existence of the rights will not undermine the integrity of the 20 cent rule. A condition of the waiver is that a summary of the material terms and conditions of the rights have been clearly disclosed in HMC's initial public offering document.</p>

Rule Number	1.8 condition 7
Date	15/10/2019
ASX Code	LLP
Listed Company	LLOYDS BANK PLC
Waiver Number	WLC190309-001
Decision	1. Based solely on the information provided, ASX Limited ('ASX') grant Lloyds Bank plc (the 'Issuer') a waiver from Condition 7 of listing rule 1.8 to the extent that the Issuer does not need to be registered as a foreign company carrying on business in Australia under the Corporations Act.
Basis For Decision	<p>Underlying Policy An entity admitted as a debt issuer which is a foreign entity must be registered as a foreign company under the Corporations Act. This requirement supports the listing rule requirements.</p> <p>Present Application The securities of the Issuer proposed to be quoted are wholesale debt securities. Section 601CD(2) of the Corporations Act only requires a foreign company that offers debentures to retail investors to be registered under the Corporations Act. The entity's debt security programme only permits the offer of wholesale debt securities and accordingly the entity's issue of debt securities does not constitute carrying on business in Australia. The entity is not required to be registered under the Corporations Act however various relevant provisions of the Corporations Act apply to the entity and its securities, notwithstanding that it is not registered. It is therefore considered appropriate that the waiver is granted.</p>

Rule Number	1.8 condition 11
Date	15/10/2019
ASX Code	LLP
Listed Company	LLOYDS BANK PLC
Waiver Number	WLC190309-002
Decision	1. Based solely on the information provided, ASX Limited ('ASX') grant Lloyds Bank plc (the 'Issuer') a waiver from condition 11 of listing rule 1.8 to the extent necessary that the Issuer's securities need not satisfy CHES requirements on condition that ASX is satisfied with the settlement arrangements that exist in relation to the Notes to be quoted on ASX.
Basis For Decision	<p>Underlying Policy An entity the securities of which are to be quoted must ensure that the requirements of a clearing and settlement (CS) facility relating to an entity's securities are satisfied, except if the entity is incorporated in a jurisdiction where the entity's securities cannot be approved under the operating rules of a CS facility. This supports orderly settlement of securities quoted on the ASX market.</p> <p>Present Application The securities of the Issuer being quoted are wholesale debt securities. The securities of the Issuer are to be settled outside of CHES via Austraclear. It is considered appropriate to grant a waiver on the condition that ASX is satisfied with the settlement arrangements that exist in relation to the debt securities to be quoted on ASX.</p>

Date	3/10/2019
ASX Code	PUS
Listed Company	PEPPER SPARKZ TRUST NO.1

This supports orderly settlement of securities quoted on the ASX market.</p> <p>Present Application The debt securities of the Issuer being quoted are wholesale debt securities. The debt securities of the Issuer are to be settled outside of CHESS. It is considered appropriate to grant a waiver on the condition that ASX is satisfied with the settlement arrangements that exist in relation to the debt securities to be quoted on ASX.</p>

The issue price of the Capital Raising Shares is not less than \$0.02 per share.</p> <p>1.2. The Company's shareholders approve the issue price of the Capital Raising Shares in conjunction with the approval obtained under Listing Rule 11.1.2 in respect of the Acquisition.</p> <p>1.4. The Company completes a consolidation of its capital structure in conjunction with the Acquisition such that its securities are consolidated at a ratio that will be sufficient, based on the lowest price at which the Company's securities traded over the 20 trading days preceding the date of the announcement of the Acquisition, to achieve a market value for its securities of not less than two cents each.</p>
Basis For Decision	<p>Underlying Policy Listing rule 2.1 condition 2 requires that the issue or sale price of all securities that an entity, at the time of its application for admission to the official list, seeks to have quoted must be at least 20 cents. HMC's securities will trade as Stapled Securities, each consisting of one share in each of the Companies. This supports orderly settlement of securities quoted on the ASX market.</p> <p>Present Application This is a companion waiver to the waiver from listing rule 1.8 condition 11 and listing rule 8.2 granted to the Issuer.</p>

Rule Number	2.1 condition 3
Date	3/10/2019

Rule Number	3.10.3
Date	15/10/2019
ASX Code	LLP
Listed Company	LLOYDS BANK PLC
Waiver Number	WLC190309-004
Decision	1. Based solely on the information provided, ASX Limited ('ASX') grant Lloyds Bank plc, a waiver from Listing rule 3.10.3 to the extent that the Issuer need only advise ASX of a proposed issue of Notes if they are to be quoted on ASX.
Basis For Decision	<p>Underlying Policy An entity must tell ASX of a proposed issue of securities (and, if the issue of securities is a bonus issue or a pro rata issue, the entity must at that time give ASX an Appendix 3B). This disclosure maintains an informed market.</p> <p>Present Application The debt securities of the Issuer being quoted are wholesale debt securities. The debt securities to be issued, and to be quoted on ASX, are to be issued in the wholesale debt market only. In addition, the Issuer may issue securities under multiple existing programmes in multiple jurisdictions and security holders are aware of the Issuer's ability to issue further debt securities from time to time. Notifying ASX of frequent issues in various jurisdictions would be an administrative burden on the Issuer. It is not considered that notification of every issue will add to the continuous disclosure regime for the debt securities. A waiver is granted to permit the Issuer to only advise ASX of a proposed issue of securities that are to be quoted on ASX.</p>

This disclosure maintains an informed market.</p> <p>Present Application The debt securities of the Issuer being quoted are wholesale debt securities. The Issuer has been granted a waiver from listing rule 3.10.3 in relation to securities other than securities that are to be quoted on ASX. This is a companion waiver to the waiver from listing rule 3.10.3.</p>

Rule Number	3.10.5

ASX Code	LLP
Listed Company	LLOYDS BANK PLC
Waiver Number	WLC190309-006
Decision	1. Based solely on the information provided, ASX Limited ('ASX') grant Lloyds Bank plc (the "Issuer"), a waiver from listing rule 3.10.5 to the extent necessary to permit the Issuer, in respect of an issue of notes that are not to be quoted on ASX, to tell ASX but need not lodge an Appendix 3B.

An entity must tell ASX if any securities are restricted securities or subject to voluntary escrow. This disclosure maintains an informed market.</p> <p>Present Application The debt securities of the Issuer being quoted are wholesale debt securities. Basis For Decision	<p>Underlying Policy An entity must tell ASX of an issue of securities and must give ASX an Appendix 3B in respect of those securities. An entity must tell ASX if any securities are restricted securities or subject to voluntary escrow. This disclosure maintains an informed market.</p> <p>Present Application The securities of the Issuer being quoted are wholesale debt securities. The Issuer issues other debt securities that are not to be quoted on ASX. With respect to an issue of debt securities not quoted on ASX, the entity has to tell ASX but does not have to lodge an Appendix 3B. The information required by an Appendix 3B would not be relevant for an issue of such securities. The entity must still notify ASX of an issue of debt securities to be quoted on ASX and lodge an Appendix 3B in order to maintain an informed market.</p>

Rule Number	6.23.2
Date	8/10/2019
ASX Code	AOG
Listed Company	AVEO GROUP

Decision	<p>1. Based solely on the information provided, ASX Limited ("ASX") grants Aveo Group (the "Group") a waiver from Listing Rule 6.23.2 to the extent necessary to permit the Group to cancel for consideration, and without securityholder approval, 460,490 unquoted performance rights and 750,000 unquoted growth rights issued to the Group's Executive Director and Chief Executive Officer, Geoff Grady and 226,356 performance rights and 500,000 growth rights issued to the Group's Chief Financial Officer, David Hunt, in connection with the proposed company scheme of arrangement and trust scheme between the Group and all its securityholders by which all of the outstanding securities in the Group will be acquired by Hydra RL BidCo Pty Ltd ("BidCo") and Hydra RL TopCo Pty Ltd ("TopCo"), entities controlled by Brookfield Asset Management Inc. (the "Schemes"), subject to the following:</p> <p>1.1. The Group's securityholders approve by the requisite majority, and a court of competent jurisdiction approves the Schemes, and the court's orders are lodged with the Australian Securities and Investment Commission such that the Schemes become effective.</p> <p>1.2. Basis For Decision	Underlying Policy Standard Decision, refer to Guidance Note 17.

Rule Number	6.23.2
Date	2/10/2019
ASX Code	CDD
Listed Company	CARDNO LIMITED
Waiver Number	WLC190293-001
Decision	<p>1. Based solely on the information provided, ASX Limited ('ASX') grants Cardno Limited (the 'Company') the following waiver in connection with the demerger of its quality, testing and measurement business, Intega Group Limited, ('Intega') (the 'Demerger').</p> <p>1.1 A waiver from listing rule 6.23.2 to the extent necessary to permit the Company, to cancel up to 216,862 performance rights ('CDD Performance Rights') issued by the Company under its Cardno Limited Performance Equity Plan, held by employees of Intega, without seeking shareholder approval, on the following conditions.</p> <p>(i) The shareholders of CDD and a Court of competent jurisdiction approve the scheme of arrangement to effect the Demerger under Part 5.1 of the Corporations Act 2001 (Cth).</p> <p>(ii) Full details of the cancellation of the Performance Rights are set out to ASX's satisfaction in the scheme booklet for the Demerger.</p>
Basis For Decision	<p>Underlying Policy The cancellation of options for consideration required the approval of holders of ordinary securities to prevent option holders from seeking to extract an economic benefit from the listed entity that has granted the options, other than by exercising options according to their terms. This requirement maintains an appropriate balance between the rights of holders of ordinary securities and holders of options and supports the integrity of the ASX market.</p> <p>Present Application Following the Demerger, CDD Performance Rights held by employees of Intega are to be cancelled. The consideration for the cancellation of CDD Performance Rights will be replacement performance rights of Intega. The Company's shareholders will not be disadvantaged on condition that there is sufficient disclosure in the scheme booklet and shareholders and the Court approve the scheme of arrangement, and accordingly, the requirement to receive separate shareholder approval under listing rule 6.23.2 for the cancellation of the performance rights is superfluous.</p>

Decision	<p>1. Based solely on the information provided, ASX Limited ("ASX") grants Aveo Group (the "Group") a waiver from Listing Rule 6.23.3 in connection with the proposed company scheme of arrangement and trust scheme between the Group and all its securityholders by which all of the outstanding securities in the Group will be acquired by Hydra RL BidCo Pty Ltd ("BidCo") and Hydra RL TopCo Pty Ltd ("TopCo"), entities controlled by Brookfield Asset Management Inc. (the "Schemes"), to the extent necessary to permit the Group to do the following:</p> <p>1.1 to waive the performance conditions and accelerate, without securityholder approval, the vesting of 1,266,204 unquoted Long Term Incentive Plan performance rights (the "Performance Rights") and 1,800,000 Growth Plan performance rights (the "Growth Rights") in connection with the proposed Schemes so that those Performance Rights and Growth Rights vest and convert into Group stapled securities on the following conditions:</p> <p>1.1.1 The Group's securityholders approve by the requisite majority, and a court of competent jurisdiction approves, the Schemes, and the Court's orders are lodged with the Australian Securities and Investments Commission such that the Schemes are made effective.</p> <p>1.1.2 Full details of the proposed treatment of the Performance Rights and Growth Rights are set out to ASX's satisfaction in the Schemes booklet.</p>
Basis For Decision	<p>Underlying Policy Listing Rule 6.23.3 stipulates that changes to options which have the effect of reducing the exercise price, increasing the exercise period or increasing the number of securities received on exercise is prohibited. These terms are considered to be so fundamental and integral to the terms of the options when granted that they cannot be changed even with the approval of shareholders. These option terms determine the intrinsic value (if any) which may be attributed to the options. The valuation of the options and investors' decisions whether to buy, hold, sell, or exercise, the options depends upon investors having certainty as to the terms of the options. To ensure the integrity of the market any changes to the fundamental terms of the options are prohibited.</p>

Present Application

The Group has entered into the Schemes which will result in all of the Group's securities being acquired by BidCo. A condition of the Schemes becoming effective is that there are no Performance Rights or Growth Rights on issue. Waiving the performance conditions and thereby accelerating the vesting of its Performance Rights and Growth Rights on issue will allow the holders of the Performance Rights and Growth Rights to participate in the Schemes on the same basis as the other holders of the Group's stapled securities. The holders of the Group's stapled securities will not be disadvantaged by the accelerated vesting of the Performance Rights and Growth Rights as the consideration for the Group's stapled securities subsequently transferred to the holders of the Performance Rights and Growth Rights will effectively be paid by the acquirer, being BidCo. It is proposed to grant the waiver in respect of the Performance Rights and Growth Rights, subject to the Group's securityholders and the court approving the Schemes, and details of the proposed treatment of the Performance Rights and Growth Rights being disclosed in the Schemes booklet.

Following the Demerger the theoretic value of each share of the Company will be reduced by an amount equal to the value of one share in Intega. Accordingly, the value of the performance rights and options of the Company will reduce by a corresponding amount. The Company will amend the terms of the Existing Performance Right so that upon vesting, one performance right would entitle the employee to a number of ordinary shares in the Company calculated with reference to the combined share price of the Company and Intega, which may effectively increase the number of ordinary shares the holder of the Existing Performance Rights may receive. The Company will also amend the terms of the CEO Options so that upon vesting and exercise of these options, Mr Ian Ball would receive a number of ordinary shares in the Company calculated with reference to the combined share price of the Company and Intega, which may effectively increase the number of ordinary shares Mr Ian Ball may receive.

Basis For Decision	<p>Underlying Policy The cancellation of options for consideration requires the approval of holders of ordinary securities to prevent option holders from seeking to extract an economic benefit from the listed entity that has granted the options, other than by exercising options according to their terms. This requirement maintains an appropriate balance between the rights of holders of ordinary securities and holders of options and supports the integrity of the ASX Market.</p> <p>Present Application Following the Demerger, the Company proposes to amend the terms of the FY17 Performance Rights to reflect the financial performance of the Company and Intega, following the Demerger of Intega. The amendments will ensure that the performance conditions are not materially easier or difficult to satisfy after the Demerger than they were before the Demerger. The full details of the Amended Performance Rights will be set out in the scheme booklet for the Demerger. The shareholders will not be disadvantaged on the condition that there is sufficient disclosure in the scheme booklet and shareholders and the Court approve the scheme of arrangement and accordingly, the requirement to receive separate shareholder approval under listing rule 6.23.4 to amend the performance conditions attaching to the FY17 Performance Rights is superfluous.</p>

Basis For Decision	<p>Underlying Policy</p> <p>Listing Rule 7.1 protects a listed entity's security holders against dilution of their voting and economic interests in the listed entity by imposing a limit on the number of equity securities that may be issued by the entity without prior security holder approval. This limit is not applicable if security holders approve the issue of the securities at a general meeting. Listing Rule 7.3 sets out the information required to be included in the notice of meeting seeking approval for the issue of the securities. In particular, Listing Rule 7.3.2 requires the date by which the entity will issue the securities and this date must be no later than 3 months after the date of the meeting, or, for court approved reorganisations of capital, no later than 3 months after the date of the court approval. This rule ensures that an issue of securities that has been approved by security holders is made within a reasonable timeframe following the approval, so that it is less likely that the circumstances in which the issue is made will have changed materially from those prevailing at the time the approval was given.</p>

Register of ASX Listing Rule Waivers

Present Application

Listing Rule 7.3.2 requires a notice of meeting with a resolution to approve the issue of equity securities to state that the securities will be issued within 3 months of the date of the shareholders' meeting. Listing Rule 7.3.2 ensures that an issue of equity securities is made within a reasonably short time after the ordinary security holders approve the issue, so that there is less possibility that the circumstances of the entity may change by the time that the issue is made in such a way that they are different from those that the ordinary security holders may reasonably have had in contemplation at the time of giving their approval.

Where a listed entity has entered into a transaction which calls for the issue of securities as deferred consideration in tranches at future times that necessarily will fall longer than 3 months after the date of a shareholders' meeting, ASX's policy is to permit entities to seek shareholder approval for the issue of all the securities that may be issued under that transaction over the various phases, provided that the milestones to be achieved which trigger the obligation to issue the securities are appropriate to the entity and the transaction in all the circumstances, and adequate information can be given to shareholders about the future issues of securities. This allows the entity and the counterparty to the agreement to have commercial certainty about the ability of the entity to issue each tranche of securities as the counterparty performs its obligations, while maintaining the principle that shareholders must give their informed consent to future issues of securities.

The Company has entered into an agreement to acquire 100% of the issued capital of Abra Resources Pty Ltd. The Company is proposing to issue 12,500,000 shares, subject to the achievement of certain milestones, as deferred consideration. The maximum number of Deferred Consideration Shares that could be issued by the Company is fixed and, together with the maximum degree of dilution, is known and will be disclosed in the Notice. It is appropriate to allow shareholders to give their informed consent to the issue of the Deferred Consideration Shares over the relevant period.

Interest of 8% per annum is payable to Unrelated Noteholders on a quarterly basis in either cash or Interest Shares, at the election of the Company. Any Interest Shares issued in satisfaction of interest on the Convertible Notes will have an issue price equal to the VWAP of shares over the five trading days prior to their issue date, being the last date of the Relevant Interest Period. The maximum number of Interest Shares that may be issued to Unrelated Noteholders is 40,040,478 Interest Shares. The timing and structure for the issue of Interest Shares is outlined in the Notice. The interest rate and period of time over which Interest Shares may be issued is fixed and the Notice provides a working example of an indicative number of Interest Shares based on a three estimated values of VWAP, being \$0.02, \$0.03, \$0.04 and \$0.05. In the context of a convertible note agreement, there is a sufficient degree of certainty about the basis for calculation of the number of Interest Shares to be issued for shareholders to be able to give their informed consent to the issue of the Interest Shares over the relevant period. The waiver is granted on conditions, including that the Notice discloses the material terms of the Convertible Notes to the Company's shareholders. It is appropriate to allow shareholders to be able to give their informed consent to the issue of the Interest Shares over the relevant period.</p>

Waiver Number	WLC190323-001
Decision	<p>1. Based solely on the information provided, ASX Limited ("ASX") grants Variscan Mines Limited (the "Company") a waiver from Listing Rule 7.3.2 to the extent necessary to permit the notice of meeting (the "Notice") to be issued by the Company seeking shareholder approval for the issue of up to:</p> <p>1.1 1,100,000,000 deferred consideration shares to the vendors of Slipstream Spain Pty Ltd ("SS") and Slipstream Spain 2 Pty Ltd ("SS2") (being Slipstream Resources Investments Pty Ltd as Trustee for the Slipstream Capital Trust) ("Vendors"); and</p> <p>1.2 97,058,824 deferred consideration shares to Hispanibal S.L., being the holder of an option over 15% of the Cantabria Concessions ("Hispanibal") ("Hispanibal Option"); ("Deferred Consideration Shares"),</p> <p>not to state that the Deferred Consideration Shares will be issued no later than three months after the date of the meeting the subject of the Notice on the following conditions:</p> <p>1.3 The Notice seeks approval for a stated maximum number of Deferred Consideration Shares that will be issued.</p> <p>1.4 The Notice states that the Deferred Consideration Shares will be issued the earlier of 1 December 2023 and 48 months from the date of completion of the Company's acquisition of 100% of the issued share capital in both SS and SS2 from the Vendors.</p> <p>1.5 If the Company releases an annual, half-year or quarterly report during the period in which Deferred Consideration Shares are issued or remain to be issued, periodic report discloses details of the Deferred Consideration Shares issued in that reporting period, the number of Deferred Consideration Shares that remain to be issued and the basis on which they may be issued.</p> <p>1.6 The Company immediately releases the terms of the waiver to the market.</p>
Basis For Decision	<p>Underlying Policy</p> <p>Listing Rule 7.1 protects a listed entity's security holders against dilution of their voting and economic interests in the listed entity by imposing a limit on the number of equity securities that may be issued by the entity without prior security holder approval. This limit is not applicable if security holders approve the issue of the securities at a general meeting. Listing Rule 7.3 sets out the information required to be included in the notice of meeting seeking approval for the issue of the securities. In particular, Listing Rule 7.3.2 requires the date by which the entity will issue the securities and this date must be no later than 3 months after the date of the meeting, or, for court approved reorganisations of capital, no later than 3 months after the date of the court approval. This rule ensures that an issue of securities that has been approved by security holders is made within a reasonable timeframe following the approval, so that it is less likely that the circumstances in which the issue is made will have changed materially from those prevailing at the time the approval was given.</p>

Register of ASX Listing Rule Waivers

Present Application

Listing Rule 7.3.2 requires a notice of meeting with a resolution to approve the issue of equity securities to state that the securities will be issued within 3 months of the date of the shareholders' meeting. Listing Rule 7.3.2 ensures that an issue of equity securities is made within a reasonably short time after the ordinary security holders approve the issue, so that there is less possibility that the circumstances of the entity may change by the time that the issue is made in such a way that they are different from those that the ordinary security holders may reasonably have had in contemplation at the time of giving their approval.

Where a listed entity has entered into a transaction which calls for the issue of securities as deferred consideration in tranches at future times that necessarily will fall longer than 3 months after the date of a shareholders' meeting, ASX's policy is to permit entities to seek shareholder approval for the issue of all the securities that may be issued under that transaction over the various phases, provided that the milestones to be achieved which trigger the obligation to issue the securities are appropriate to the entity and the transaction in all the circumstances, and adequate information can be given to shareholders about the future issues of securities. This allows the entity and the counterparty to the agreement to have commercial certainty about the ability of the entity to issue each tranche of securities as the counterparty performs its obligations, while maintaining the principle that shareholders must give their informed consent to future issues of securities.

The Company has entered into an agreement to acquire 100% of the issued capital in SS and SS2 from the Vendors. The Company is proposing to issue 1,100,000,000 shares in upfront consideration and to issue 1,100,000,000 shares, subject to the achievement of certain milestones, as deferred consideration. The Company has also entered into an agreement with Hispanibal, by which Hispanibal agrees to terminate the Hispanibal Option and as consideration, the Company has agreed to issue 145,588,235 shares in upfront consideration and to issue 97,058,824 shares, subject to the achievement of certain milestones, as deferred consideration. The maximum number of Deferred Consideration Shares that could be issued by the Company is fixed and, together with the maximum degree of dilution, is known and will be disclosed in the Notice. It is appropriate to allow shareholders to give their informed consent to the issue of the Deferred Consideration Shares over the relevant period.

Rule Number	8.10
Date	14/10/2019
ASX Code	HMC
Listed Company	HOME CONSORTIUM
Waiver Number	WLC190304-005
Decision	<p>1. Based solely on the information provided, ASX Limited ("ASX") grants Home Consortium Limited ("HCL") and Home Consortium Developments Limited ("HCDL") (together the "Companies"), fully paid ordinary shares in which are stapled together on a 1:1 basis ("Stapled Securities") to form a stapled entity known as Home Consortium ('HMC'), a waiver from Listing Rule 8.10 to the extent necessary to permit the Companies to refuse to register a transfer of a share of HCL, if it is not accompanied by a transfer of a shares in HCDL, and vice versa.</p>
Basis For Decision	<p>Underlying Policy Listing Rule 8.10 facilitates the transfer procedures for quoted securities. Under the rule, entities must not prevent, delay or interfere with the registration of a transfer document. The requirement protects the integrity of the ASX market and supports the principle that quoted securities are freely transferable, and that the issuer of quoted securities should not have the ability to prevent particular persons from becoming security holders, other than as required by law or in other limited circumstances.</p> <p>Present Application HMC has applied for listing on ASX as a stapled entity comprising the Companies. HMC's securities will trade as Stapled Securities, each consisting of one share in each of the Companies. The waiver enables HMC to ensure that the integrity of the stapled security structure is not compromised by purported off-market transfers of securities of one Company only. The general principle of Listing Rule 8.10 is not undermined by the waiver in these limited circumstances.</p>

Decision	<p>1. Based solely on the information provided, ASX Limited ('ASX') grant Lloyds Bank plc (the 'Issuer') a waiver from Listing Rule 8.10 to allow the Issuer to refuse to register transfers of notes from the date which is eight calendar days before an interest payment date or the maturity date of the notes, on condition that ASX is satisfied with the settlement arrangements that exist in relation to the notes to be quoted on ASX.</p>
Basis For Decision	<p>Underlying Policy An entity must not interfere with registration of a transfer document relating to quoted securities, subject to a number of exceptions set out in that rule. This supports the principle that quoted securities should be freely transferable. The rule also inhibits the ability of an issuer to cause disruption to the settlement cycle.</p> <p>Present Application The securities of the Issuer being quoted are wholesale debt securities. The securities of the Issuer are to be settled outside of CHES. The Issuer is required to close the register of a series of debt securities from the close of eight calendar days prior to an interest payment date or the maturity date. This enables the register to be up to date on an interest payment date or maturity date for that series of debt securities. The waiver is granted as this is a common arrangement for these types of securities.</p>

Listed Company	AUSTRALIAN PRIMARY HEMP LIMITED
Waiver Number	WLC190285-001
Decision	<p>1. Based solely on the information provided, ASX Limited ('ASX') grants Alchemia Limited (to be renamed "Australian Primary Hemp Limited") (the 'Company') a waiver from Listing Rule 9.1.3 to the extent necessary to permit the Company to apply the restrictions in paragraph 1 and 2 of Appendix 9B (as applicable) to the ordinary shares to be issued to the Company's shareholders as follows.</p> <p>1.1 The shares issued to the shareholders of APH who subscribed for cash for their shares in APH are treated as being held by related or unrelated seed capitalists (as appropriate) of the Company.</p> <p>1.2 Cash formula relief is applicable to those shares that are issued to persons who subscribed for their APH shares for cash consideration.</p> <p>1.3 For the purposes of determining the length of the escrow period for shares issued to unrelated seed capitalists which are subject to 12 month escrow, the 12 month escrow period will be deemed to begin on the date on which the cash subscription for their shares were made.</p> <p>1.4 For the purposes of determining the length of the escrow period for Shares issued to related party or promoter seed capitalists which are subject to 24 months escrow, the 24 months escrow period will begin on the date of reinstatement to official quotation of the shares of the Company following its re-compliance with chapters 1 and 2 of the Listing Rules.</p> <p>1.5 Resolutions 7.2 is conditional on the Company acquiring 100% of the issued capital of ("APH") and the entire business of APH being acquired by the Company.</p>
Basis For Decision	<p>Underlying Policy</p> <p>Securities issued in certain circumstances, including in consideration for the acquisition of classified assets from related or unrelated vendors prior to an initial public offering or a re-compliance listing, are classified as restricted securities and are to be held in escrow for a certain period. ASX may also deem securities issued in other circumstances to be restricted securities. Under Listing Rule 9.1.3 an entity that issues securities classified as restricted securities must apply the restrictions required by Appendix 9B of the Listing Rules. Under Listing Rules 9.1.4 and 9.2 the entity and the person who holds the restricted securities (and, where appropriate, the persons who control the holder) must enter into a restriction agreement in the form of Appendix 9A of the Listing Rules. The restriction agreement forbids the holder (and the controller(s), where appropriate) from transferring or creating any other interests in restricted securities during the escrow period. Under Listing Rule 9.5, restricted securities must either be in certificated form and held in escrow by a bank or recognised trustee, or held in uncertificated form on the issuer sponsored sub-register subject to a holding lock administered by the entity's securities registry. These arrangements together prevent the holder (and where appropriate, the controller(s) of the holder) from being able to realise any financial benefit from their restricted securities</p>

during the escrow period. This ensures that promoters, vendors etc do not receive any financial benefit until there has been a sufficient period of time for the value of the assets sold or services provided to the listed entity to be reflected in the market price of the listed entity's securities.

4. Unless ASX decides otherwise, restrictions generally do not apply to securities issued by:

- * an entity admitted under the profit test;
- * an entity that has a track record of profitability or revenue that is acceptable to ASX; or
- * an entity that, in ASX's opinion has a substantial proportion of its assets as tangible assets or assets with a readily ascertainable value.

Present Application

The Company is acquiring the issued capital of APH. The transaction constitutes a re-compliance listing under Listing Rule 11.1.3 and the Company is required to comply with Chapters 1 and 2 of the Listing Rules as if it were applying for admission to the official list for the first time. The securities of the Company issued to the shareholders of APH are subject to escrow restrictions in chapter 9 and Appendix 9B of the Listing Rules. The shareholders who are to receive shares in APH are technically vendors of a classified asset for the purposes of their classification under Appendix 9B. If, however, APH had applied for listing in its own right, its security holders would have been treated under the different classifications of Appendix 9B as promoters, seed capitalists etc, as applicable to each security holder according to the nature of the relationship between the holder and APH, and the consideration given by that person for their securities. ASX will apply escrow restrictions on a 'look through' basis where there is a scrip-for-scrip acquisition of an unlisted entity that holds classified assets by a listed or to-be listed entity, and the unlisted entity that is acquired by the to-be listed entity does not return capital, distribute any assets or make any unusual distributions to its shareholders before the acquisition becomes effective. A waiver is granted to permit the shareholders to be treated as seed capitalists of the Company and cash formula relief applicable using the conversion ratio calculation, and be subject to the relevant escrow period for their classification. This upholds the principle of the listing rule escrow regime that seed capitalists should have a portion of their securities free from escrow based on their cash contribution, and that promoter or related party seed capitalists should be subject to escrow for a period of 24 months commencing at the time of quotation of the to-be listed entity's securities

Decision	<p>1. Based solely on the information provided, ASX Limited ('ASX') grants Terramin Australia Limited (the 'Company') a waiver from Listing Rule 10.1 to the extent necessary to permit the Company to grant security over its TZNE assets in favour of Asipac Pty Ltd ('Asipac') ('the Security'), to secure the Company's obligations under a new debt facility up to a maximum of \$15.05 million ('the Facility') without obtaining shareholder approval, on the following conditions:</p> <p>1.1 the Security and the Facility will include a term that in the event of default, neither Asipac nor any of its associates can acquire any legal or beneficial interest in an asset of the Company or its subsidiaries in satisfaction of the Company's obligations under the Facility or the Security, or otherwise deal with the Company's assets, without the Company first having complied with any applicable listing rules, including Listing Rule 10.1, other than as required by law or through a receiver (or analogous person) appointed by Asipac in exercising its power of sale under the Facility or Security and selling the assets to an unrelated third party at arm's length commercial terms and distributing the cash proceeds to Asipac in accordance with its legal entitlements;</p> <p>1.2 a summary of the material terms of the Facility and any Security documents are made in each annual report of the Company during the term of the Facility;</p> <p>1.3 any variations to the terms of the Facility or the Security documents, which are not minor changes or inconsistent with the terms of the waiver, must be subject to shareholder approval;</p> <p>1.4 the Company must seek to discharge the Security when the funds advanced under the Facility are repaid, or if it is not discharged, seek shareholder approval for the continuation of the Security for any further loan amount; and</p> <p>1.5 the Company will immediately release to the market an announcement which sets out the terms of the waiver, and the Company's plans with respect to the repayment of the funds advanced under the Facility and the discharge of the Security, including the timeframe within which it expects the repayment and discharge to occur.</p>

Basis For Decision	<p>Underlying Policy Listed entities are required to obtain the approval of security holders for an acquisition from, or disposal to, a person in a position to exercise influence over the entity of a substantial asset. The votes of security holders who are parties to the transaction, and their associates, are not counted. Listed entities are required to obtain an independent expert's report on the fairness and reasonableness of the transaction and send it to security holders to accompany the notice of security holders' meeting. This rule protects security holders from a value-shifting transaction with a person in a position of influence being undertaken by a listed entity without the disinterested security holders having approved that transaction with the benefit of full information. The rule supplements the related party provision of the Corporations Act (or, in the case of foreign entities, the related party provisions of the law of their home jurisdiction).</p> <p>Present Application The Company has entered into a short term financing facility of up to \$5.3 million respectively with Asipac. The BIH Facility is secured over the shares in TZNEEx. The purpose of the BIH Facility is to fund the BIH Project, develop the Tala Hamza project and provide working capital. Asipac is a substantial shareholder in the Company. This amounts to a disposal of a substantial asset under Listing Rule 10.1. The Company obtained a waiver from Listing Rule 10.1 to permit it to enter the security. The Company and Asipac have agreed to increase the maximum amount available under the BIH Facility by \$5,300,000 to a total of \$15.05 million. The Company is granted a waiver from Listing Rule 10.1 to enable the Security to secure a loan of up to a \$15.05 million on a number of conditions, including that the security documents provide that in the event that the Security is exercised, neither the substantial holder or the related parties (nor any of their associates) are entitled to acquire the assets without the Company first complying with any applicable listing rules, including Listing Rule 10.1. This condition provides a sufficient safeguard against value-shifting to the substantial holder or related parties (or their associates).</p>

Listed Company	APN CONVENIENCE RETAIL REIT
Waiver Number	WLC190286-001
Decision	<p>1. Based solely on the information provided, ASX Limited ('ASX') grant APN Convenience Retail REIT (the 'Group') a waiver from Listing Rule 10.11 to the extent necessary to permit APN Funds Management Ltd ("APN FM") to issue stapled securities to itself, in its capacity as responsible entity and/or investment manager of certain unlisted managed investment schemes as part of a proposed placement to raise approximately \$38 million (the "Placement"), without securityholder approval, on the following conditions.</p> <p>1.1 APN FM may only participate in the issue of stapled securities pursuant to the Placement where it is acting in a fiduciary, custodial or nominee capacity on behalf of its unrelated beneficiaries.</p> <p>1.2 All offers of the stapled securities pursuant to the Placement are made on the same terms and conditions.</p>
Basis For Decision	<p>Underlying Policy Listed entities are required to obtain the prior approval of security holders for an issue of equity securities to related parties. This rule is directed at preventing related parties from obtaining securities on advantageous terms and increasing their holding proportionate to the holdings of other security holders, without the prior consent of the ordinary security holders. The rule protects ordinary security holders' interests by supplementing the related party provisions of the Corporations Act (and any related party provisions applying to foreign entities under relevant legislation). A number of exceptions from the requirement for prior security holder approval are permitted under Listing Rule 10.12, including where securities are issued under a pro rata entitlement offer.</p> <p>Present Application The Group proposes to conduct a capital raising comprising a placement to institutional investors and security purchase plan to retail investors. The responsible entity of the Group is also responsible entity of unlisted managed investment schemes and funds (the "APN Funds"), which hold a number of stapled securities in the Group. Listing Rule 10.11 applies to participation of related parties in placements of securities by the Group, including the responsible entity. The unitholders of the APN Funds are not persons to whom the issue of securities would otherwise be subject to Listing Rule 10.11. The issue of stapled securities to associates of a responsible entity under a placement is permitted under ASIC Class Order 05/26 subject to a number of conditions, including relevantly that the associates are acting in an eligible fiduciary capacity and their percentage holding in the managed investment scheme does not increase. The participation in a placement offered to a number of institutional investors conducted by a listed managed investment scheme of unlisted managed investment schemes with a common responsible entity, where the unitholders of the unlisted schemes are not otherwise persons within the scope of Listing Rule 10.11, and subject to compliance with the conditions</p>

Decision	<p>1. Based solely on the information provided, in relation to a proposed issue by Commonwealth Bank of Australia (the 'Company') of perpetual, subordinated, unsecured capital notes ('PERLS XII') to raise approximately \$750 million (the 'Offer'), ASX Limited ('ASX') grants the Company a waiver from Listing Rule 10.11 to the extent necessary to permit the directors of the Company and their associates to participate in the Offer, and to be issued PERLS XII without shareholder approval, on the following conditions.</p> <p>1.1 The number of PERLS XII which may be issued to directors and their associates collectively is no more than 0.2% of the total number of PERLS XII issued under the Offer.</p> <p>1.2 The participation of the directors and their associates in the Offer is on the same terms and conditions as applicable to other subscribers for PERLS XII.</p> <p>1.3 The Company releases the terms of the waiver to the market when it announces the Offer.</p> <p>1.4 When PERLS XII are issued, the Company announces to the market the total number of PERLS XII issued to directors and their associates.</p>

Present Application

The Trust has applied to list on ASX. As part of its initial public offering, it proposes to issue Additional IPO Units, comprising Loyalty Units and IPO Foundation Units, under the offer to certain eligible applicants that may include related parties, on condition that the eligible applicant holds ordinary units on a determination date specified in the PDS. There will be no dilution from the issue of the Additional IPO Units as Magellan Group will bear the economic cost of the issuance. The waiver is granted on certain conditions, including that: there is adequate disclosure in the PDS of the mechanism for determining the number of Additional IPO Units that may be issued; and that the Trust confirms the maximum number of Additional IPO Units that may be issued as pre-quotation disclosure. Subscription under the PDS is considered to be akin to security holder approval of the proposed issue.

Listed Company	BLACK DRAGON GOLD CORP.
Waiver Number	WLC190290-001
Decision	<p>1. Based solely on the information provided, ASX Limited ("ASX") grants Black Dragon Gold Corp. (the "Company") a waiver from listing rule 10.13.3 to the extent necessary to permit the Company's notice of general meeting (the "Notice") to approve the issue of up to a maximum of £41,250 worth of shares to non-related directors as part of their remuneration (the "Remuneration Shares") not to state that the Remuneration Shares will be issued no later than one month after the date of the annual general meeting (the "AGM"), and subject to the following conditions.</p> <p>1.1. The Notice states that the Remuneration Shares will be issued no later than 12 months after the date of the meeting.</p> <p>1.2. The Company's annual report for any period during which the Remuneration Shares are issued, discloses details of the number of Remuneration Shares that were issued, including the percentage of the Company's issued capital represented by those Remuneration Shares.</p> <p>1.3. The terms of the waiver are disclosed in the Notice.</p>
Basis For Decision	<p>Underlying Policy Listing rule 10.11 protects a listed entity's security holders by preventing a related party from obtaining shares on advantageous terms and increasing the related party's holding proportionate to other holdings. Unless one of the exceptions under listing rule 10.12 applies, a listed entity must seek shareholder approval before it can issue shares to a related party. Listing rule 10.13 sets out the information required to be included in the notice of meeting seeking approval for the issue of the securities to a related party. In particular, listing rule 10.13.3 requires the date by which the entity will issue the securities and this date must be no later than 1 month after the date of the meeting. This rule ensures that an issue of securities to a related party that has been approved by security holders is made within a reasonable timeframe following the approval, so that that it is less likely that the circumstances in which the issue is made will have changed materially from those prevailing at the time the approval was given.</p> <p>Present Application The Company proposes to seek security holder approval for the issue of shares to the non-executive directors as part of their remuneration. The Remuneration Shares are to be issued within 12 months of the meeting (on a quarterly basis). Although the issue price of the Remuneration Shares will be determined by a future share price, the maximum time for issue of the shares is fixed. On this basis the waiver is considered appropriate. The waiver is granted on the condition that the securities are issued within 12 months from the date of the general meeting, the terms of the waiver are disclosed in the Notice and the annual report discloses details of the relevant securities that have been issued.</p>

Register of ASX Listing Rule Waivers

Basis For Decision	<p>Underlying Policy The issue of equity securities to related parties requires prior security holder approval, unless an exception in Listing Rule 10.12 is applicable. A notice of meeting containing a resolution for the approval of an issue of securities to related parties under Listing Rule 10.11 must include a statement that the securities will be issued within one month of the date of the security holders' meeting. The securities must be issued within a short period of time after the meeting so that the related party recipients do not have an extended period during which they have the option to decide whether or not to take up the issue of equity securities that has been approved. Imposing a short period of time during which to complete the issue also reduces the possibility of there being a material change in the entity's circumstances from when the issue takes place to the time the resolution was approved. This helps to provide a greater degree of certainty to security holders about the likely value of the equity securities when they are issued.</p> <p>Present Application The Company is undertaking a back-door listing transaction which requires the Company to meet the requirements of chapters 1 and 2 of the listing rules as if the Company were applying for admission to the official list of ASX. The issue of the Related Party Options is considered to be in connection with the Transaction and Capital Raising, the timing of which is outside of the Company's control. The requested period in which the Company may issue the Related Party Options is relatively short. The number and terms of the Related Party Options will be fixed and the dilution will be known. It is not considered there are any unusual circumstances present. Accordingly, an extension of time to carry out the issue of the Related Party Options which will be approved by shareholders at the Meeting is considered to be appropriate.</p>

The Company seeks approval by shareholders for the issue of Interest Shares in satisfaction of interest that will become due and payable to Blue Spec over the 12 months from the date of the AGM with respect to the Relevant Interest Period. Interest of 8% per annum is payable to Blue Spec on a quarterly basis in either cash or Interest Shares, at the election of the Company. Interest Shares are issued at a deemed issue price equal to the VWAP of Shares over the five trading days prior to their issue date, being the last date of the Relevant Interest Period. The maximum number of Interest Shares that may be issued to Blue Spec is 1,547,466 Interest Shares. The interest rate and period of time over which Interest Shares may be issued is fixed and the notice of meeting provides a working example of an indicative number of Interest Shares based on three estimated values of VWAP, being \$0.02, \$0.03, \$0.04 and \$0.05. There is a sufficient degree of certainty about the basis for calculation of the number of securities to be issued for shareholders to be able to give their informed consent to the issue of the Interest Shares over the relevant period. Register of ASX Listing Rule Waivers

Present Application

The Company proposes to seek security holder approval for the issue of shares to the non-executive directors as part of their remuneration. The issue price of the shares to be issued is presently unascertainable as it is based on a future security price. Where the degree of dilution is not expected to be excessive in view of a listed entity's security price and the value of the grant, the inclusion of sufficient information in the notice of meeting about the method for calculating the issue price of the relevant securities is considered not to offend the policy of the rule in providing certainty to security holders. The waiver is granted on the basis that the Notice contains sufficient information about the method for calculating the issue price of the Remuneration Shares, examples of the dilution effect on the issued capital of the Company as a result of the issue of the Remuneration Shares at three different prices and states that the Remuneration Shares will be fully paid ordinary shares in the capital of the Company ranking equally in all respects with the Company's existing shares on issue.

Decision	<p>1. Based solely on the information provided, ASX Limited ("ASX") grants Hot Chili Limited (the "Company") a waiver from listing rule 10.13.5 to the extent necessary to permit the Company's notice of annual general meeting ("Notice") seeking shareholder approval for the issue of up to 1,547,466 shares in consideration for the payment of interest of 8% per annum due to Blue Spec Drilling Pty Ltd ("Blue Spec"), payable quarterly through the issue of shares ("Interest Shares") over the 12 month period from the date of the Company's Annual General Meeting ("AGM"), in respect to the quarters ending on 31 December 2019, 31 March 2020, 30 June 2020 and 30 September 2020 (each a "Relevant Interest Period"), not to state the issue price on the following conditions:</p> <p>1.1 The Notice states that the Interest Shares will be issued at a deemed issue price equal to the volume weighted average price ("VWAP") of the Company's fully paid ordinary shares over the five trading days prior to their issue date, being the last date of the Relevant Interest Period;</p> <p>1.2 The Notice includes a worked example of the dilution that will occur to existing shareholders of the Company as a result of the issue of the Interest Shares to Blue Spec;</p> <p>1.3 The Notice sets out that the Interest Shares will be fully paid ordinary shares in the capital of the Company ranking equally in all respects of the Company's existing shares on issue;</p> <p>1.4 The terms of the waiver are disclosed in the Notice.</p>
Basis For Decision	<p>Underlying Policy Listing rule 10.11 protects a listed entity's security holders by preventing a related party from obtaining shares on advantageous terms and increasing the related party's holding proportionate to other holdings. Unless one of the exceptions under listing rule 10.12 applies, a listed entity must seek shareholder approval before it can issue shares to a related party. Listing rule 10.13 sets out the information required to be included in the notice of meeting seeking approval for the issue of the securities to a related party. Listing rule 10.13.5 provides certainty to a listed entity's security holders by requiring a notice of meeting containing a resolution in accordance with listing rule 10.11 to state the issue price and terms of issue of securities that are intended to be issued to each of the relevant persons for whom approval is being sought</p> <p>Present Application The Company has completed a capital raising in the amount of \$11,300,900 by way of the placement of the convertible notes to unrelated holders and to Blue Spec. Blue Spec is a related party of the Company, being controlled by Mr Murray Black, a director of the Company. The Company seeks approval by shareholders for the issue of Interest Shares to Blue Spec over the 12 months from the date of the AGM with respect to the Relevant Interest Period. Interest of 8% per annum is payable to Blue Spec on a quarterly basis in either cash or Interest Shares, at the election of the</p>

Company. Interest Shares are issued at the VWAP of Shares over the five trading days prior to their issue date, being the last date of the relevant Interest Period. The maximum number of Interest Shares that may be issued to Blue Spec is 1,543,554 Interest Shares. Where the degree of dilution is not expected to be excessive in view of a listed entity's security price and the dollar value of the grant, and where the future security price will be known shortly after the security holder meeting, as is the case here, the inclusion of sufficient information in the notice of meeting about the method for calculating the issue price of the relevant securities is considered not to offend the policy of the rule in providing certainty to security holders. The interest rate and period of time over which Interest Shares may be issued is fixed and the notice of meeting provides a working example of an indicative number of Interest Shares based on three estimated values of VWAP, being \$0.02, \$0.03, \$0.04 and \$0.05. There is a sufficient degree of certainty about the basis for calculation of the number of securities to be issued for shareholders to be able to give their informed consent to the issue of the Interest Shares over the relevant period. The waiver is granted to permit the Notice not to include an issue price, subject to conditions including that the Interest Shares be issued at the VWAP of the Company's Shares over the five trading days prior to their issue date, being the last date of the Relevant Interest Period and that the Company immediately releases the terms of the waivers to the market.

Decision	<p>1. Based solely on the information provided, ASX Limited ("ASX") grant Prospect Resources Limited (the 'Company') a waiver from listing rule 14.7 to the extent necessary to permit the Company to issue 94,976,800 shares ("Consideration Shares") to Farvic Consolidated Mines Pvt Limited ("Farvic") later than one month after 11 June 2019, being the date of the shareholders meeting at which the issue of the Consideration Shares was approved on the following conditions:</p> <p>1.1 The Consideration Shares are issued no later than 10 January 2020.</p> <p>1.2 The terms of this waiver are released to the market immediately.</p>
Basis For Decision	<p>Underlying Policy If a notice of meeting states that an entity will do something that the listing rules require it to do, the entity must do that thing. This supports the integrity of listing rule requirements that forbid a listed entity from taking a particular action unless it has obtained the prior approval of ordinary security holders, and require the giving to security holders of specific information about the proposed action in order for such approval to be validly obtained.</p> <p>Present Application Listing rule 10.13.3 requires a notice of meeting with a resolution to approve the issue of equity securities to state that the securities will be issued within 1 month of the date of the shareholders' meeting. Listing rule 10.13.3 ensures that an issue of equity securities is made within a reasonably short time after the ordinary security holders approve the issue, so that there is less possibility that the circumstances of the entity may change by the time that the issue is made in such a way that they are different from those that the ordinary security holders may reasonably have had in contemplation at the time of giving their approval. The Company sought and received shareholder approval under listing rule 10.11 for the issue of the Consideration Shares at a general meeting held on 11 June 2019. In accordance with listing rule 10.13.3, the notice of meeting stated that the Company would issue the shares no later than one month after the date of the meeting. The Company is unable to issue the Consideration Shares within 1 month of the general meeting due to delays in receiving regulatory approval for the underlying transaction to which the Consideration Shares relate. The maximum number Consideration Shares to be issued is fixed and the potential degree of dilution to existing shareholders is known. The additional time requested is not excessive. There has not been any material change to the Company's circumstances from the date of the shareholder meeting.</p>
