ASX Options Ready For Fund Managers

Equity Options can deliver Fund Managers desired downside protection and income generation in a flat or downward trending market.

ASX Options Ready for Fund Managers is a one hour in-house presentation specifically designed for Fund Managers who are contemplating trading in the ASX Equity Options market. It is also available as a refresher course to Fund Managers already trading ASX Equity Options.

Relevant to Portfolio Managers, Traders, Risk Managers and Operations Staff, topics specifically covered by this awareness module include:

- Available ASX options stocks
- Market Makers and their quoting requirements
- Margining at the individual stock and portfolio levels
- TMCs (the ASX on-market options rolling facility accounting for over 40% of traded options volumes)
- The ASX "Wholesale Client Agreement" which allow Funds to deal options through multiple brokers and
- Recent & coming enhancements to the ASX Equity Options market.

ASX Options Ready is delivered by ASX professional presenters with a wealth of previous real-life options market making and broking experience.
