ASX Options Ready

For Super Funds and Asset Advisors

Equity Options can deliver desired downside protection and income generation in a flat or downward trending market.

ASX Options Ready for Super Funds and Asset Advisors is a one hour in-house presentation specifically designed to highlight the portfolio optimization benefits that can be achieved by using the ASX Equity Options market.

- An introductory course for Super Funds who are newly considering employing Fund Managers who use Equity Options
- A refresher course for Super Funds already employing Fund Managers who use Equity Options and
- An Equity Options refresher course for Asset Advisors when considering recommendations about appropriate Fund Managers.

Topics specially covered include:

- Statistical performance of the buy-write strategy
- Statistical performance of the collar strategy and
- A basic overview of the ASX Equity Options market.

ASX Options Ready is delivered by ASX professional presenters with a wealth of previous real-life options market making and broking experience.
