# About ASX

---

The ASX Group of companies, includes the combined operations of ASX (formerly the Australian Stock Exchange) and ASX 24 (formerly SFE Corporation).

ASX Group activities span primary and secondary market services and include the:

- **Australian Securities Exchange**, which facilitates capital formation, hedging, trading and price discovery;
- **ASX Clearing Corporation**, which manages central counterparty risk transfer;
- **ASX Settlement Corporation**, which provides securities settlement for both the equities and fixed income markets; and
- **ASX Compliance**, which is a wholly owned subsidiary of ASX and performs the market oversight obligations necessary for a market, clearing and settlement facility operator. Effective 1 August 2010, the supervision of trading on ASX and the supervision of trading participants has been transferred from ASX to ASIC.

**ASX Grain Futures and Options trade on the ASX 24 platform (ASX Trade24) in accordance with the ASX 24 Operating Rules and ASX Clear (Futures) Operating Rules.**
