Commentary:

The month of February saw new records set for both our warrant and equity market's with the benchmark ASX/S&P 200 Index reaching a new high pushing through the 6000 mark and during the month a total of 4,919 warrants traded with a total traded premium of $78 million (the previous record was 3,849 trades with circa $50 million traded premium in June 2006).

There were 182 new instalments on issue, 632 new total warrant listings on issue, a record for the month of February. With 3466 warrants on issue as of February 2007 the market has grown two fold since this time in 2004. BHP continued to be the most actively traded underlying asset followed by the S&P/ASX200.
