## **ADDITIONAL EXCHANGE FOR PHYSICAL (EFP) FORM**

The purpose of this Bulletin is to advise Dealers of an additional Exchange for Physical (EFP) form. The reason that this EFP form has been introduced is to streamline the registration process with SFE Clearing Corporation on the same day the EFP is executed. Please note that the registration form requires that the details of the clearing Participants be provided before the form is faxed to both the Surveillance department and SFE Clearing Corporation.

The additional NZFOE EFP registration form will coexist with the current form, being Appendix 3 of the NZFOE Business Rules. A copy of the new NZFOE EFP registration form is attached. The additional EFP registration form is effective immediately.

If you encounter any difficulties using this form, or have any questions, please contact the Surveillance Department on +61 2 9256 0589.
