Final Mock Trading

With the introduction of the SYCOM® IV daytime market approaching, Members are requested to participate in final mock trading on the following dates:

- Friday, 25 June 1999
- Monday, 28 June 1999
- Tuesday, 29 June 1999

Formal mock trading sessions will be held from 7.30 am - 8.30 am and 12.30 pm - 2.00 pm on each of these days.

Additionally, the system will be available during normal trading floor and SYCOM® hours for Member familiarity unless otherwise notified.

Trading Parameters

- Maximum size per order: 100 lots
- Current market prices
- The markets will be settled against the 2.00 pm lunchtime resume on the Trading Floor.

It is important that Members ensure all traders participate during these sessions as it will be the final opportunity to mock trade on the production platform from Members' offices.

Should you have any queries regarding these matters, please contact the undersigned on 9256 0415 or the SYCOM® Help Desk on 9256 0677.
