

SCREEN DEALING No: 21/99 BULLETIN

To: **All NZFOE Dealers**
 Floor Members
 SYCOM Managers

SYCOM IV LAUNCH

Members are advised that the first implementation of the SYCOM® IV system for the existing daytime screen dealt products which include wheat, wool and electricity, is now scheduled for Monday, 5 July 1999.

Members' SYCOM® Managers were advised in previous Bulletins regarding final maintenance procedures to be performed prior to the launch.

Frank Coyne
General Manager; Trading Operations
