SYCOM Managers

SYCOM IV Upgrade

Members are advised that an upgrade to the SYCOM® IV system has been scheduled for Saturday, 16 October 1999. This upgrade addresses a redundancy issue encountered during the communications network failure on 5/10/99.

This upgrade will require access to Members' offices on Saturday morning. Accordingly, SFE staff will contact each Member to make necessary arrangements.

The Exchange apologises for the short notice and any inconvenience caused.

George Maganas
Screen Dealing Manager
