

SCREEN DEALING BULLETIN NO. 03/01

SYCOM DISRUPTION - 5 JANUARY 2001

Participants are advised that on Friday, 5 January 2001 the SYCOM® system was unavailable for approximately 35 minutes from 16:45 until 17:20.

A problem arose whilst moving the system into the new trading date which resulted in a Multicast failure. A fix was successfully tested and implemented over the weekend.

The SFE regrets any inconvenience caused to Participants and their clients.
