

SCREEN DEALING BULLETIN NO. 16/01

SYCOM MARKET HALT - 10 APRIL 2001

Participants are advised that on Tuesday, 10 April 2001, the SYCOM® system was unavailable for 25 minutes, between 17:15 and 17:40.

The problem arose due to a hardware issue resulting in a failure of primary SYCOM® IV services. The SFE cut over to the back-up service and the necessary arrangements have been made to replace the faulty hardware.

The SFE regrets any inconvenience caused to Participants and their clients.

CHANGE OF PARTICIPANT MNEMONIC

Participants are advised that as of trade date 17 April 2001, ANZ Futures Limited will cease to trade under the mnemonic ACC and begin trading as ANZ.

AT BEST FACILITY

Participants are reminded that only general market data available to all Participants will be disclosed. Therefore, please be advised that where "At Best" information is available via an SFE Interface or Trader Workstation, no further "At Best" information will be disclosed.
