SFE SPI® 200 INDEX FUTURE AND OPTION CONTRACT – MARKET HALT

Market users are advised that on 24th February 2005 the SFE SPI®200 Index Future and Option Contracts were closed at 7.45am rather than the defined 8am.

The decision to close the SFE SPI® 200 Index Contracts early resulted from a requirement to prudently investigate a potential environmental incident involving disruption to air conditioning. The decision was designed to minimise or avoid any potential impact on the open of the market at 8.30am.

The incident impacted the SFE SPI® 200 Index Contracts only.

All systems are now fully functional and SFE apologises for any inconvenience caused. A full investigation into the incident will be completed.

Should you have any queries please contact the undersigned on 9256-0554 or draper@sfe.com.au
