Articles and By-Laws On Disk

Members are advised that a new 3.5" disk containing the Business Rules of Sydney Futures Exchange Limited, Sydney Futures Exchange Clearing House Pty Limited and New Zealand Futures & Options Exchange Limited is now available. The content of the disk is the same as the most recent hard copy release. The disk is suitable for any IBM compatible personal computer with Windows 3.1 or higher.

This disk is available to Members on the same basis as is the hard copy: the first disk is free and subsequent disks are available from the SFE's Resource Centre at a cost of \$40.00. Members who would like a copy of the disk, should contact Jane Corbett either by completing the form below or by telephoning her on (02) 9256.0689.

One of the benefits of the disk is that it contains an efficient search facility. The software will allow for searches to be made either of a word or a phrase and will instantly guide the user to the relevant text through a "hyperlink" feature. This should make it significantly easier for Members to research relevant portions of the rules so as to make compliance with the provisions an easier task.
