NZFOX EQUITY OPTIONS TO LIST IN Q1 2005

The SFE wishes to advise that the NZFOX Equity Options will be listed in the first quarter of 2005 and not on 28 September 2004 as previously advised.

The NZX have made the decision to delay the launch of the five options contracts based on several factors including readiness of necessary market participants and to concentrate their immediate efforts on the recently launched FoX15 Index Futures contract.

Details and final specifications on all NZFOX products are available on the NZX and SFE websites at www.nzx.com/products and www.sfe.com.au, respectively.
