UPDATE ON THE NEW ZEALAND BROAD WOOL FUTURES CONTRACT

Tectra Limited, the publisher of the SFE New Zealand 36 - 40 Micron wool indicator, have given SFE notice that they will not provide indicator values beyond December 2005 or from such time that open positions in the New Zealand Broad Wool Futures contract no longer exist.

The SFE will therefore not be listing any new contract months beyond December 05.

The SFE is in discussions with Tectra regarding the possibility of a third party being able to continue providing Indicator values. The outcome of these discussions will determine whether any new contract months or a new New Zealand Broad Wool Futures contract will be listed.

Should you have any queries please contact Anthony Collins on 612 9256-0664 or acollins@sfe.com.au.
