

SFE NOTICE NO. 28/07

Date of Issue: 8 March 2007  
Effective Date: 8 March 2007

---

## Expiry of the SFE LPT Futures March 2007 Contract and Removal of Prohibition on Block Trade Facility from being used 5 Days Prior to Expiry

### 1.0 Introduction

1.1 The SFE LPT Futures contract will cease to be listed after 15 March 2007 expiry. Participants may refer to SFE Notice No. 149/06 for background.

### 2.0 Removal of Prohibition on BTF being used in the 5 days prior to expiry

2.1 On the Effective Date, the Exchange will remove the prohibition on the Block Trade Facility (BTF) being used within five (5) days prior to expiry for the SFE LPT Futures contract, pursuant to SFE Operating Rule 3.4.2 (c). With the delisting of the SFE LPT Futures contract, this prohibition is now lifted. This exemption only applies to the SFE LPT March 07 expiry.
