Effective Date: 17th April 2007

SYCOM MFWS logon delay

Following the installation of security patches on SYCOM Host on the weekend of 14th and 15th April 2007, Participants are advised that they may experience a delay of approximately 10 minutes when logging onto their MFWS workstations.

The issue is being addressed and should be corrected prior to the commencement of trading Monday morning, 23rd April 2007.

To minimize the impact, Participants are asked to account for the potential delay when changing users or logging onto their SYCOM MFWS workstation until 20th April 2007.

Should you have any queries please contact SFE Service Desk on 9256 0677 or service.desk@asx.com.au.
