

SFE NOTICE NO.

049/08

Date of Issue: 10th April 2008
Effective Date: 11th April 2008

Commodity CFD Margin Rates

Following the review of relevant risk parameters and having regard to the current volatile market conditions in commodity markets, it has been determined that the Initial Margin parameter for the contract shown below is to be increased.

The revised margin parameter will be effective for open contracts as at close of business on **Friday 11th April 2008**, impacting on margin calls made on **Monday 14th April 2008**.

Participants are encouraged to advise all relevant clients of this Initial Margin change on a timely basis.

Initial margin rates for all SFE contracts are available on the SFE Website at www.sfe.com.au

Should you have any queries in relation to the above, please contact the Clearing Risk Operations department on 9227-0236.
