ASX ANNOUNCEMENT

Appointment of a Director

The Board SomnoMed Limited is pleased to announce that Mr Paul Hopper has been appointed a Non-Executive Director, effective 1st July 2007.

Paul is based in San Diego, California. He has spent the last eight years in the biotech area, where he was instrumental in the development, funding and sale of a number of companies as Chairman or Managing Director. Before moving into biotech, he was CEO of Alpha Healthcare, an ASX listed healthcare company, operating private hospitals, primary care medical centres and pathology labs across Australia.

Paul Hopper has nearly 25 years experience in international public company markets primarily in the healthcare and biotechnology sectors.

He is the Executive Chairman of Bone Medical Limited (ASX:BNE) a listed biotechnology company focussing on osteoporosis and arthritis through the oral delivery of peptides and a director of Cell Acquaculture Limited (ASX:CAQ). Paul was previously the CEO of the listed Australian biotech, Australian Cancer Technology Limited (ASX:ACU), which under his leadership, was rated by CitiGroup as one of the best performing biotechs in the Australian index in 2004.

Announcing his appointment Dr Peter Neustadt, the Chairman of Somnomed Limited said "We are delighted Paul has agreed to join the Board of Somnomed and as a resident in the United States he will be able to contribute to the growth and development of our United States operation."
