

ASX ANNOUNCEMENT

APPOINTMENT OF NON EXECUTIVE DIRECTOR

7 March 2012 - NetComm Wireless Limited (ASX: NTC) today announced the appointment of Mr. Justin Milne as a non-executive Director.

Mr. Milne is an experienced company director having served in diverse industry sectors with a multinational focus.

NetComm Wireless' Chairman, John Brennan, said Mr. Milne brings a wealth of business insight which will complement the current skill set of the NetComm Wireless Board.

"With substantial telecommunications industry experience, Mr. Milne will make a significant contribution to NetComm Wireless' global expansion as the company strengthens its wireless and M2M presence in domestic and overseas markets," Mr. Brennan said.

Mr. Milne is currently the Deputy Chairman of Quickflix Ltd and Non-Executive Director of Tabcorp Holdings Ltd. He is also Chairman of the National Basketball League and a board member of the Sydney Children's Hospital Network (Randwick and Westmead) and of Basketball Australia.

Mr. Milne's past positions include Chairman of Pie Networks Ltd; Group Managing Director at Telstra BigPond, CEO of The Microsoft Network and of OzEmail. He is also a past board member of the SA Economic Development Board and a past President of the Internet Industry Association.

About NetComm Wireless Limited

NetComm Wireless Limited (ASX: NTC) is a leading developer of innovative broadband products for telecommunications carriers and ISPs worldwide. Specialising in fixed and mobile broadband technologies, NetComm Wireless customises products to successfully deliver the performance capabilities of world-leading carrier networks to home, business and industrial applications. Customer premises Equipment (CPE) and Edge technologies are specifically designed to extend a reliable connection to fringe service areas globally. For 30 years NetComm Wireless has engineered a solid portfolio of world-first data communication products and is today a world renowned developer of HSPA+, LTE, machine-to-machine (M2M) and fibre access devices. Headquartered in Sydney, Australia, NetComm Wireless has offices in New Zealand, Canada and the Middle East. For more information about NetComm Wireless visit: www.netcomm.com.au
