**About iiNet**

iiNet is Australia's second largest DSL Internet Service Provider and the leading challenger in the telecommunications market. We employ nearly 2,000 inquisitive staff across four countries and support over 1.3 million broadband, telephony and Internet Protocol TV (IPTV) services nationwide.

We're a publicly listed company and we maintain our own super-fast broadband network. Our vision is to lead the market with products that harness the potential of the Internet and differentiate with award-winning customer service.
