ASX ANNOUNCEMENT

11 April 2014

UPDATE ON MAJOR SHAREHOLDER

Further to the Company's trading halt request dated 11 March 2013 and its request for voluntary suspension dated 13 March 2014, U&D Coal Limited (UND) provides the following update.

As previously announced, UND has received a purported notice of exercise of statutory right under s737(1) of the Corporations Act 2001 (Cth) (on the basis of an alleged contravention of s724 of the Corporations Act in respect of UND's replacement prospectus dated 5 December 2014) received by UND from its majority shareholder Australian Kunqian International Energy Co., Pty Ltd (KQ).

On 21 March 2014 UND advised that, in the best interests of all shareholders, it had initiated proceedings against KQ in the Supreme Court of Victoria seeking, amongst other orders, a declaration to the effect that the s 737 notice issued by KQ is invalid and unenforceable.

The Company is taking this course of action to ensure that the matters arising from KQ's s 737 notice are dealt with as quickly as possible and therefore to provide certainty to shareholders as soon as possible. The first directions hearing takes place today at the Supreme Court of Melbourne.

Yesterday the Company received a notice from KQ advising that KQ gives notice of its intention to move the following resolutions at a general meeting of the Company:

- 1) Mr Hao Liu be removed as a director of the Company, effective immediately;
- 2) Mr Shining Hou be appointed as a director of the Company, effective immediately;
- 3) Mr Yinan Zhang be removed as a director of the Company, effective immediately;
- 4) Mr Shulong Ma be appointed as a director of the Company, effective immediately;
- 5) Mr Wei Liu be removed as a director of the Company, effective immediately; and
- 6) Mr Qian Yu be appointed as a director of the Company, effective immediately.

UND is considering its response to the notice. UND will provide further updates, as and when it is able to do so.

Yours faithfully
