

ANNOUNCEMENT

9 September 2014

The company regrets to announce a fatal accident resulting in the loss of the life of a rock drill operator employed by a sub-contractor at its Barbrook Mine. The Barbrook Mine expects to be closed for five days pending a full enquiry.

The fatal accident occurred when the rock drill operator slipped and fell into an open stope. The company deeply regrets the incident and consequential loss of life.

The company's Lily Mine continues to operate.
