BULLETPROOF
MISSION CRITICAL CLOUD

Release of securities from voluntary escrow

Bulletproof Group Limited advises that 49,039,061 shares and 3,337,990 broker options, voluntarily escrowed at the time of the reinstatement to official quotation of the Company's shares on 23 January 2014, will be released from escrow on 22 January 2015 when the 12 month voluntary restriction period expires.

The Company has a total of 110,998,368 shares on issue, with 25,000,000 'Performance B Shares' (which convert into a variable number of ordinary shares depending on the performance of the Company to 30 June 2015) and 3,587,990 options outstanding. The Company will lodge an Appendix 3B seeking quotation of any shares if and when any Performance B Shares convert to ordinary shares, or any outstanding options are exercised.

The Company has today released to the ASX an updated "Capital Structure" summary, setting out further details of all securities on issue.

About Bulletproof

Bulletproof Group Limited is an Australian-owned, publicly listed company with offices in Sydney and Melbourne, Australia, and California, USA. Bulletproof Group shares are listed on the Australian Securities Exchange (ASX) and are traded under the code BPF.

Founded in 2000, Bulletproof is the leading Australian-owned mission critical cloud provider, providing Managed Cloud services to business, enterprise and government customers. Bulletproof has consistently been first to market with public and private cloud based services and innovations. Bulletproof was the first company in Australia to launch a public cloud service in 2006 and the first to launch a managed Amazon Web Services (AWS) offering in 2012.

Bulletproof's world-class service allows customers to focus on their core business to ensure they have the freedom to be remarkable.
