**Hong Kong – March 3, 2015** – Animoca Brands (ASX:AB1) has signed an agreement to license the name and likeness of the global celebrity Paris Hilton, as well as imagery and content from Paris Hilton Entertainment, for use in the company’s mobile apps worldwide.

Her line of fragrances produced by Parlux Ltd. have generated over US\$2 billion in sales over the last ten years and her 2004 autobiography reached number seven on the *New York Times* Best Seller List. Paris Hilton also ranks as one of the world’s most followed celebrities on social media.

“Paris Hilton is one of the world’s most recognized names and we are thrilled to be able to collaborate with her on mobile gaming titles,” said Animoca Brands CEO Robby Yung. “With Paris’s eye for what’s hot in the latest trends, and our experience at making popular mobile games, we are confident that consumers around the world will be receptive to Paris Hilton mobile games and themes.”

The company intends to take a phased approach to development, initially creating branded virtual items for in-game purchase, and then moving on to create fully-branded apps in future.
