## COMPANY UPDATE

After successfully raising over \$1,500,000 via prospectus to meet the requirements of re listing, the Company is now focusing on opportunities to increase the value of the company.

The Company wishes to thank all the past and present shareholders for their support in assisting First Growth Funds return to trading and we look forward to pursuing value accretive opportunities.

## TECHNOLOGY UPDATE

First Growth Funds primary asset is a large share holding in a private company Bluefish Technologies Pty Ltd (Bluefish) of which it currently retains a 24.5% holding [www.bluefish444.com](http://www.bluefish444.com)

Refer latest Bluefish presentation following this update.

FGF is currently reviewing several investment opportunities in the technology space with technology incubator firms and investment houses.

## OTHER INVESTMENTS

FGF Management has strong links to the Australasian Investment community and is reviewing primary and secondary market offerings on a daily basis in order to increase shareholder value.
