ASX ANNOUNCEMENT

TEXT OF SHAREHOLDER LETTER FOR RELEASE

30 April 2015

Dear Shareholder,

Non-Renounceable Rights Issue

On 1 April 2015 Estrella Resources Limited (ACN 151 155 207) (**ESR** or **Company**) announced a conditionally and partially underwritten rights issue to raise up to approximately \$576,624 (**Offer**).

Funds raised will be used for exploration on the Company's Chilean projects, working capital and paying costs of the Offer.

The Offer will be made on the basis of 3 new shares for every 5 existing shares held on the Record Date (see attached timetable) by eligible shareholders (being shareholders with a registered address in Australia or New Zealand) at an issue price of \$0.007 per new share. Eligible shareholders may also apply for new shares in addition to their entitlement.

New shares to be issued under the Offer will rank equally with existing shares. The Company has applied to ASX for the new shares to be listed. Fractional entitlements will be rounded up to the nearest whole number.

A prospectus for the Offer has been lodged with ASIC on 29 April 2015 which will be available on both the ASX's website and the Company's website. The Company will mail the prospectus and accompanying personalised entitlement and acceptance form (**Entitlement and Acceptance Form**) to eligible shareholders following the Record Date.

Shareholders should consider the prospectus in deciding whether to acquire new shares under the Offer and will need to complete the Entitlement and Acceptance Form to take up their entitlement.

Patersons Securities Limited (**Underwriter**) has agreed to lead manager and partially and conditionally underwriter the Offer for \$254,000. Black Swan Global Pty Limited has agreed to sub-underwriter the Offer for \$154,000. The Underwriter will be paid an underwriting fee of 5% of the underwritten amount and \$7,000 management fee for the Offer. Consultants and advisors to the issue will, subject to Shareholder approval, be issued 13,000,000 options with exercise price of 1.1 cents and an expiry date of 31 May 2018.
