**ASX Announcement**

### **Market Update – Rajapremi Impressive Growth Continues**

We are pleased to announce that our investee-company RajaPremi, the leading online insurance marketplace in Indonesia, has shown considerable progress in generating web traffic to its online insurance marketplace.

RajaPremi currently offers insurances for cars, motorbikes, homes and personal accidents from 16 leading licensed underwriters in Indonesia. It is the most comprehensive offering in the Indonesian online insurance sector, covering products from an estimated 65% of the mainstream general insurers of Indonesia.

Rajapremi attracted more than 10,000 visitors to its online insurance marketplace in the month of June 2015 and this number is expected to grow 300% during the next half year.

Thank you.

Kin W. Lau  
CEO  
Fatfish Internet Group Ltd

### **About Rajapremi**

Rajapremi is a Indonesian online business unit of Fintech Asia Group, a financial technology provider that focuses on the online financial services market of Southeast Asia. RajaPremi derives its name from “Raja” and “Premi” that means “king” and “insurance premium” in Indonesian language respectively. RajaPremi partners with major insurance players in Indonesia to offer an online insurance marketplace that retails general insurance products directly to consumers through seamless online payment and fulfillment facilities. ## About Fattfish Internet Group

Fattfish Internet Group Ltd ('FFG') is a Southeast Asian and Australian based Internet venture investment and development firm. FFG partners with entrepreneurs to help them build and grow Internet businesses via a co-entrepreneurship model.

FFG's co-entrepreneurship model seeks an active involvement from seed funding stage to exit stage of its investee companies. In parallel FFG seeks to provide a collection of resources and expertise to support entrepreneurs in important areas such as business strategy, market access, talent recruitment, product development and corporate strategy.

This unique "seed-to-exit" approach makes FFG a strategic partner that provides the funding, resources and platform to hasten the growth of promising technology businesses.

FFG's investment operation involves two business division, i.e. investing as a venture capital firm (Venture Capital Division) and operating as internet accelerators (Digital Incubator Division). FFG's credential as a value-adding investor in the Internet sector is well recognized by private and public sectors as it has been chosen for co-investment partnership with the governments of Singapore and Malaysia.

FFG's Corporate Advisory Division is a boutique corporate advisory service provider specializing in working with tech companies to bring to bear alternative funding and growth models for tech companies through Initial Public Offerings (IPOs) or capital market transactions vide trade sales or Mergers & Acquisitions (M&A).
