OTOC AUSTRALIA APPROVAL FOR NEW WORK AT NAURU ISLAND

- **Approval for \$16m of ongoing civil infrastructure works on Nauru**

OTOC Limited (**ASX: OTC**), the diversified infrastructure and survey services company, is pleased to announce that its project delivery business, OTOC Australia, has received approval from Canstruct Pty Ltd for the construction and installation of an additional permanent settlement village plus hospital and school facilities on the island of Nauru. OTOC Australia's share of revenue from these projects is expected to exceed \$16.3 million with completion due by March 2016.

OTOC Chief Executive Officer Simon Thomas said:

"This project is entirely consistent with our business plan for OTOC Australia, as announced on 16 July 2015, in which OTOC Australia shall re-position itself to focus on strategic projects in the civil infrastructure and government sectors.

Importantly, with this award and recently announced contract with Juwi Renewable Energy, OTOC Australia enters FY16 with a secured order book of over \$29m from projects that meet internal risk management and financial criteria."
