4. RESOLUTION 4 – ADOPTION OF THE REMUNERATION REPORT

To consider and, if thought fit, to pass, with or without amendment, the following Resolution as a Non-Binding Ordinary Resolution:

“That for the purposes of Section 250R(2) of the Corporations Act 2001 and for all other purposes, approval is given to adopt the JCS Remuneration Report as contained in the Company’s Financial Report for the year ended 30 June 2015.”
5. RESOLUTION 5 – EMPLOYEE SHARE PLAN ALLOTMENT TO DIRECTOR – MR BRUCE HATCHMAN

To consider and, if thought fit, to pass, with or without amendment, the following Resolution as an Ordinary Resolution:

“That, for the purposes of Chapter 2E of the Corporations Act, ASX Listing Rule 10.14 and for all other purposes, approval is given for the Company to allot 1,000,000 ordinary shares under the previously approved employee incentive scheme titled Employee Share Plan and for the issue of securities under that Plan, on the terms and conditions set out in the Explanatory Statement.”

Voting Prohibition Statement
A person appointed as a proxy must not vote, on the basis of that appointment, on this Resolution if: the proxy is either:

[a] a member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report; or
[b] a Closely Related Party of such a member; and
the appointment does not specify the way the proxy is to vote on this Resolution.

However, the above prohibition does not apply if:
[c] the proxy is the Chair of the Meeting; and
[d] the appointment expressly authorises the Chair to exercise the proxy even if the Resolution is connected directly or indirectly with remuneration of a member of the Key Management Personnel.

6. RESOLUTION 6 – EMPLOYEE SHARE PLAN ALLOTMENT TO DIRECTOR – MR DAVID FRANKS

To consider and, if thought fit, to pass, with or without amendment, the following Resolution as an Ordinary Resolution:

Voting Prohibition Statement
A person appointed as a proxy must not vote, on the basis of that appointment, on this Resolution if: the proxy is either:

[a] a member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report; or
[b] a Closely Related Party of such a member; and
the appointment does not specify the way the proxy is to vote on this Resolution.

However, the above prohibition does not apply if:
[c] the proxy is the Chair of the Meeting; and
[d] the appointment expressly authorises the Chair to exercise the proxy even if the Resolution is connected directly or indirectly with remuneration of a member of the Key Management Personnel.
Voting Exclusion Statement

For the definitions of Key Management Personnel (KMP) and Closely Related Parties, please refer to the Glossary on page 26.

The Corporations Act restricts members of the KMP of the Company and their Closely Related Parties from voting in relation to remuneration related Resolutions (such as Resolution 4).

What this means for Shareholders: If you intend to appoint a member of the KMP (other than the Chairman of the Meeting) as your proxy, please ensure that you direct them how to vote on Resolutions 4, 5 and 6. If you do not do so, your proxy will not be able to vote on your behalf on Resolutions 4, 5 and 6.

If you intend to appoint the Chairman of the Meeting as your proxy, you are encouraged to direct him how to vote by marking the boxes for Resolutions 4, 5 and 6 (for example if you wish to vote for, or against, or to abstain from voting). If you appoint the Chairman as your proxy without directing him how to vote, the proxy form authorises him to vote as he decides on Resolutions 4, 5 and 6 (even though that Resolution is connected with the remuneration of KMP). The Chairman of the Meeting intends to vote in favour of all Resolutions (where permissible).
The Company will disregard votes cast on Resolutions 4, 5 and 6 by the persons detailed in the table below.

| Resolution 4 – Adoption of Remuneration Report | The Company will disregard any votes cast in any capacity by:  
- a current or former member of the KMP whose remuneration details are included in the remuneration report for the year ended 30 June 2015, and  
- any Closely Related Parties of such member of the KMP.  
In addition, no votes may be cast as a proxy by any other person who has become a member of the KMP by the time of the AGM, or their Closely Related Parties.  
However, the Company need not disregard a vote on Resolution 4 if:  
- it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form, specifying how the proxy is to vote on the Resolution; or  
- it is cast by the Chairman of the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form authorising him to vote as he decides on the Resolution (even though it is connected with the remuneration of members of the KMP, including the Chairman). |
| Resolution 5 – Employee Share Plan Allotment to Director – Mr Bruce Hatchman | The Company will disregard any votes cast on Resolution 5 by:  
- any director of the Company who is eligible to participate in the employee incentive scheme in respect of which the approval is sought; and  
- if the ASX has expressed an opinion under rule 10.14.3 that approval is required for participation in the employee incentive scheme by anyone else, that person.  
However, the Company need not disregard a vote on Resolution 5 if:  
- it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or  
- it is cast by the Chairman of the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form authorising him to vote as he decides on the Resolution. |
| Resolution 6 – Employee Share Plan Allotment to Director – Mr David Franks | The Company will disregard any votes cast on Resolution 6 by:  
- any director of the Company who is eligible to participate in the employee incentive scheme in respect of which the approval is sought; and  
- if the ASX has expressed an opinion under rule 10.14.3 that approval is required for participation in the employee incentive scheme by anyone else, that person.  
However, the Company need not disregard a vote on Resolution 6 if:  
- it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or  
- it is cast by the Chairman of the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form authorising him to vote as he decides on the Resolution. |

2. RE-ELECTION OF DIRECTORS

Clause 13.2 of the Constitution requires that one third of the Directors (or if their number is not a multiple of three, then the number nearest one third, rounded upwards) must retire at each annual general meeting. It also provides that a Director who retires under clause 13.2 is eligible for re-election. The Managing Director is exempt from this requirement.

Clause 13.4 of the Constitution provides that the Directors may at any time appoint a person to be a Director, either to fill a casual vacancy or as an additional Director. A Director appointed under clause 13.4 must retire at the next following annual general meeting and is then eligible for re-election.

3. RESOLUTION 4 – ADOPTION OF REMUNERATION REPORT

S250R(2) of the Corporations Act requires that a resolution to adopt the Remuneration Report be put to the vote of the Company. Shareholders should note that the vote on Resolution 4 is advisory only and not binding on the Company or its Directors.
However, under the Corporations Act, if at least 25% of the votes cast on Resolution 4 are against the adoption of the Remuneration Report then:

- if comments are made on the Remuneration Report at the Meeting, JCS’s 2016 Remuneration Report will be required to include an explanation of the Board’s proposed action in response or, if no action is proposed, the Board’s reasons for this; and
- if, at next year’s AGM, at least 25% of the votes cast on the resolution for adoption of the 2016 Remuneration Report are against it, JCS will be required to put to Shareholders a resolution proposing that an Extraordinary General Meeting (EGM) be called to consider the election of Directors (Spill Resolution). If the Spill Resolution is passed (i.e. more than 50% of the votes cast are in favour of it), all of the Directors (other than the Managing Director) will cease to hold office at the subsequent EGM, unless re-elected at that Meeting.

Last year, a resolution was passed to adopt the 2014 Remuneration Report, with in excess of 75% of votes cast in favour of the resolution on a show of hands (noting that in excess of 75% of proxies lodged were also in favour of the resolution).

In accordance with the Corporations Act, Shareholders will be given a reasonable opportunity at the Annual General Meeting to ask questions and make comments on the Remuneration Report.

**Board recommendation:** The Remuneration Report forms part of the Directors’ Report, which was approved in accordance with a unanimous resolution of the Board. Each Director recommends that Shareholders vote in favour of adopting the Remuneration Report.

4. **EMPLOYEE SHARE PLAN ALLOTMENT TO DIRECTORS**

**RESOLUTION 5 – EMPLOYEE SHARE PLAN ALLOTMENT TO DIRECTOR – MR BRUCE HATCHMAN**

**RESOLUTION 6 – EMPLOYEE SHARE PLAN ALLOTMENT TO DIRECTOR – MR DAVID FRANKS**

**Background**

It is proposed that grants of Shares set out below are made to Mr Bruce Hatchman and Mr David Franks, pursuant to the Employee Share Plan (Plan).

The objective of the Plan is to attract, motivate and retain key employees and it is considered by the Company that the adoption of the Plan and the future issue of Shares under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

A material feature of the Plan is the issue of Shares pursuant to the Plan may be undertaken by way of provision of a non-recourse, interest free loan to be used for the purposes of subscribing for the Shares based on a price that will be not less than the volume weighted average price at which Shares were traded on the ASX over the 10 trading days up to and including the date of acceptance of the offer.

A summary of the key terms and conditions of the Plan is set out in Schedule 1. In addition, a copy of the Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Plan can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.
ASX Listing Rule 10.14

ASX Listing Rule 10.14 restricts a director of a listed company from acquiring securities under an employee incentive scheme without first receiving Shareholder approval.

If these Resolutions are passed, the Company will be able to issue Shares under the Plan to eligible participants over a period of 3 years without impacting on the Company’s ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period.

It is noted that Resolutions 5 and 6 are for a single allotment of Shares to each of Mr Bruce Hatchman and Mr David Franks as outlined below, with any future allotments under the Plan requiring approval by shareholders once again under ASX Listing Rule 10.14.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of a public company unless the benefit falls within one of various exceptions to the general prohibition. Exceptions to this general prohibition include where the company first obtains the approval of its shareholders in general meeting, or the financial benefit being provided is on arm’s length terms or better or is considered reasonable remuneration.

It is the view of the Directors (with Mr Hatchman and Mr Franks abstaining) that the proposed issue of Shares under the Plan that are the subject of Resolutions 5 and 6 is considered reasonable remuneration in the circumstances and was negotiated on an arm’s length basis. Furthermore the terms of proposed issue of Shares under the Plan are on the same terms as issued to non-related parties of the Company.

Although this would not require Resolutions 5 and 6 to be approved under Chapter 2E of the Corporations Act, the board is voluntarily seeking approval under Chapter 2E of the Corporations Act.

ASX Listing Rule 10.15A disclosures

Full terms of the loans are outlined in Schedule 1.

(i) Any additional persons who become entitled to participate in the Plan after Resolutions 5 and 6 are approved and who is not named in the Notice, including this Explanatory Statement, will not participate in the Plan until approval is obtained under ASX Listing Rule 10.14.
(j) The Shares will be granted no later than three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules).

Chapter 2E of the Corporations Act disclosures

The proposed Resolutions 5 and 6, if passed, will confer financial benefits to Directors. Therefore the Company seeks to obtain member approval in accordance with the requirements of Chapter 2E of the Corporations Act and for this reason, and for all other purposes, the following information is provided to Shareholders:

(a) The related parties to whom the resolution would permit the financial benefit to be given is:

Resolution 5 - Mr Bruce Hatchman, a Director of the Company; and
Resolution 6 - Mr David Franks, a Director of the Company.

(b) The nature of the proposed financial benefit to be given are:

Resolution 5 – 1,000,000 Shares to Mr Bruce Hatchman under the Plan with the Shares to be issued at a price of 5.0 cents per share. The Company will be providing an attaching non-recourse loan to Mr Hatchman in connection with the acquisition of Shares. The Loan is repayable, subject to the terms of the non-recourse loan, within two (2) years after the date the Plan Shares are issued. Full terms of the loans are outlined in Schedule 1; and

Resolution 6 – 1,000,000 Shares to Mr David Franks under the Plan with the Shares to be issued at a price of 5.0 cents per share. The Company will be providing an attaching non-recourse loan to Mr Franks in connection with the acquisition of Shares. The Loan is repayable, subject to the terms of the non-recourse loan, within two (2) years after the date the Plan Shares are issued. Full terms of the loans are outlined in Schedule 1.

(c) The Shares will be allotted at a price of 5.0 cents per share, being a total consideration of $50,000 for each of Mr Hatchman (Resolution 5) and Mr Franks (Resolution 6). However no proceeds will be payable unless repayment is due under the loan terms outlined in Schedule 1. Such proceeds will be used to provide additional working capital to the Company. The Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company’s existing Shares.

(d) As Resolution 5 relates to Mr Hatchman’s remuneration (through the issue of Shares under the Plan), Mr Hatchman and Mr Franks have refrained from making a recommendation in relation to this resolution. The remaining Directors (with Mr Hatchman and Mr Franks abstaining) unanimously recommend the approval of Resolution 5 for the following reasons:

(i) [the use of the Loans by each Eligible Participant to subscribe for Shares will align the interests of the Eligible Participants with those of Shareholders by creating a stronger link between performance resulting in increased Shareholder value and reward to the Eligible Participant. Each Eligible Participant will have a greater involvement with, and share in, any future growth and profitability of the Company; and

(ii) the provision of the Loans is a reasonable and appropriate method to provide benefits to the Eligible Participants as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash benefits were given to the Eligible Participants;]
(e) The Directors consider that in providing the Loans to Messrs Hatchman and Franks upon the terms proposed the following opportunity cost to the Company and benefits foregone by the Company may occur:

(i) no interest is payable on the Loans; and

(ii) the Loans are non-recourse which means the full amount of the Loan may not be recovered where the Shares are sold for less than the amount outstanding on the Loan. In addition, where the sale proceeds are greater than the amount of the Loan the Company will not receive any additional repayment as Messrs Hatchman and Franks will be entitled to the surplus proceeds;

(f) In forming their recommendations, each Director considered the experience of each of Messrs Hatchman and Franks, the existing and proposed contribution of each (apart from Messrs Hatchman and Franks) to the Company and the current market practices when determining the provision of the Loan upon the terms proposed;

(g) As Resolution 6 relates to Mr Franks’ remuneration (through the issue of Shares under the Plan), Mr Franks and Mr Hatchman have refrained from making a recommendation in relation to this resolution. The remaining Directors (with Mr Franks and Mr Hatchman abstaining) unanimously recommend the approval of Resolution 6 for the reasons set out in (d), (e) and (f); and

(h) Directors have the following interests and other remuneration:

Assuming: (1) The 35,714,284 options currently on issue (owned by a related party of Mr Baillie) vest and are exercised (2) the 4,800,000 Shares previously issued to employees under the Plan vest and are not bought back and (3) all the Shares subject of Resolutions 5 and 6 are approved, allotted and not bought back.
Valuation

The Shares that are the subject of Resolutions 5 and 6 are quoted on the ASX and as such have a market value. The Shares are being issued at 5 cents per Share, compared to the current market price as outlined in Section (j)(i). It is noted that the market price as outlined in (j)(i) may change by the date of the AGM and the date of the allotment of the Shares. When compared to the current market value, the Shares are not being issued above the current market price.

As the Shares that are the subject of Resolutions 5 and 6 with the conditions attached, including the loan facility, is akin to an options issue and the independent valuer has thus valued the Shares on such a basis. An Option grants the holder a right to subscribe for one Share upon exercise of each Option and payment of the exercise price. Accordingly, an Option may have a present value at the date of their grant.

An Option may acquire future value dependent upon the extent to which the market value of Shares exceeds the exercise price of the Options during the term of the Options.

As a general proposition, options to subscribe for ordinary fully paid shares in a company have value. Various factors impact upon the value of options including things such as:

- the period outstanding before the expiry date of the options;
- the exercise price of the options relative to the underlying price or value of the securities into which they may be converted;
- the proportion of the issued capital as expanded consequent upon exercise represented by the shares issued upon exercise (i.e. whether or not the shares that might be acquired upon exercise of the options represent a controlling or other significant interest);
- the value of the shares into which the options may be converted; and
- whether or not the options are listed (i.e. readily capable of being liquidated).

There are various formulae which can be applied to determining the theoretical value of options (including the formula known as the Black and Scholes option valuation methodology “Black-Scholes Model”).

The Company has sought an independent valuation of the Options from Stantons International Securities (SIS). The method used to value the Options was the Black-Scholes Model, which is the most widely used and recognised model for pricing options. The value of an option calculated by the Black-Scholes Model is a function of the relationship between a number of variables, being the price of the underlying Share at the time of issue, the exercise price, the time to expiry, the risk-free interest rate, the volatility of the Company’s underlying Share price and expected dividends.

The data relied upon in the valuation applying the Black-Scholes Model was:

- Exercise price of the Options or issue price of the Shares, being 5 cents per Share;
- Market price of Shares of 1.4 cents, being the closing price of Shares on the ASX on 9 September 2015 as a proxy for the market price at the future date of issue, being the date of the General Meeting to approve the issue;
• Expiry Date of 2 years from the date of valuation, being 9 September 2015, reflecting the maximum life of the loan;

• Volatility measure of 130%;

• 2 year risk-free interest rate approximated at 1.80%; and

• Dividend yield of 0.00%.

The valuer notes that a discount of 20% to 30% may be applicable to reflect the restriction on transfer of the Shares. However the valuer, nor this report, has applied any such discount to the gross valuation.

Based on the valuation, the Company has adopted an indicative value for the Shares with attaching non-recourse loan, effectively an Option, as follows, being the mid-point of valuation of the Shares with attaching non-recourse loan in the valuation report provided by SIS, based on the assessed fair value of the Shares with attaching non-recourse loan as calculated in that report.

○ A Share with attaching non-recourse loan : 0.5684 cents each

The total assessed valuation of the Shares with attaching non-recourse loan that are the subject of Resolution 5 is $5,684 and of Resolution 6 is $5,684, comprised as follows. It is noted that SIS has valued the Options to be in a range of values per Option, based on volatilities ranging from 110% to 130% as outlined below:

(ii) **Taxation Consequences**

No stamp duty will be payable in respect of the grant of the Equity Securities. No GST will be payable by the Company in respect of the grant of the Equity Securities (or if it is then it will be recoverable as an input credit).

AASB 2 "Share Based Payments" requires that these payments shall be measured at the more readily determinable fair value of the equity instrument. Under the accounting standards this amount will be expensed in the statement of financial performance. Where the grant date and the vesting date are different the total expenditure calculated will be allocated between the two dates taking into account the terms and conditions attached to the instruments and the counterparties as well as management’s assumptions about probabilities of payments and compliance with and attainment of the set out terms and conditions.

(iii) **Dilutionary Effect**

The dilutionary effect on the Company and its shareholders is summarised in the table on page 18 above.

**Voting Exclusion Statement**

The Company will disregard any votes cast on Resolution 5 by:

- Mr Bruce Hatchman (or his nominee); and

However, the Company need not disregard a vote if:

- it is cast by a person as a proxy for a person who is entitled to vote, in accordance with the directions on the Proxy Form; or

(b) **Administration of Plan**: The Board is responsible for the operation of the Plan and has a broad discretion to determine which Participants will be offered Shares under the Plan.

(c) **Offer**: The Board may issue an offer to a Participant to participate in the Plan. The offer:

(i) will invite application for the number of Shares specified in the offer;

(ii) will specify the issue price for the Shares or the manner in which the Issue Price is to be calculated;

(iii) may invite applications for a loan up to the amount payable in respect of the Shares accepted by the Participant in accordance with the offer;

(iv) will specify any restriction conditions applying to the Shares;

(v) will specify an acceptance period; and

(vi) specify any other terms and conditions attaching to the Shares.

(d) **Issue price**: the issue price of each Share will be not less the volume weighted average price at which Shares were traded on the ASX over the 10 trading days up to and including the actual date of acceptance of the Shares offered under the Offer.

(e) **Restriction Conditions**: Shares may be subject to restriction conditions (such as a period of employment) which must be satisfied before the Shares can be sold, transferred, or encumbered. Shares cannot be sold, transferred or encumbered until any loan in relation to the Shares has been repaid or otherwise discharged under the Plan.

(f) **Loan**: A Participant who is invited to subscribe for Shares may also be invited to apply for a loan up to the amount payable in respect of the Shares accepted by the Participant (Loan), on the following terms:

(i) the Loan will be interest free;

(ii) the Loan made available to a Participant shall be applied by the Company directly toward payment of the issue price of the Shares;

(iii) the Loan repayment date and the manner for making such payments shall be determined by the Board and set out in the offer;

(iv) a Participant must repay the Loan in full by the loan repayment date but may elect to repay the Loan amount in respect of any or all of the Shares at any time prior to the loan repayment date;
(v) the Company shall have a lien over the Shares in respect of which a Loan is outstanding and the Company shall be entitled to sell those Shares in accordance with the terms of the Plan;

(vi) a Loan will be non-recourse except against the Shares held by the Participant to which the Loan relates; and

(vii) the Board may, in its absolute discretion, agree to forgive a Loan made to a Participant.

Unfulfilled Restriction Condition: Where a restriction condition in relation to Shares is not satisfied by the due date, or becomes incapable of satisfaction in the opinion of the Board, the Company must, unless the restriction condition is waived by the Board, either:

(i) buy back and cancel the relevant Shares within 12 months of the date the restriction condition was not satisfied (or became incapable of satisfaction) under Part 2J.1 of the Corporations Act at a price equal to the cash consideration paid by the Participant for the Plan Shares (with any Loan not being treated as cash consideration but any Loan Amount repayments by the Participant being treated as cash consideration); or

(ii) arrange to sell the Shares as soon as reasonably practicable either on the ASX or to an investor who falls within an exemption under section 708 of the Corporations Act provided that the sale must be at a price that is no less than 80% of the volume weighted average price at which Shares were traded on the ASX on the 10 trading days before the sale date and apply the sale proceeds (Sale Proceeds) in the following priority:

(A) first, to pay the Company any outstanding Loan Amount (if any) in relation to the Shares and the Company’s reasonable costs in selling the Shares;

(B) second, to the extent the Sale Proceeds are sufficient, to repay the Participant any cash consideration paid by the Participant or Loan Amount repayments (including any cash dividends applied to the Loan Amount) made by or on behalf of the Participant; and

(C) lastly, any remainder to the Company to cover its costs of managing the Plan.

Sale of Shares to repay Loan:

(i) A Loan shall become repayable in full where:

(A) the Participant (or, where the Participant is an Associate of an Eligible Employee, the Eligible Employee) ceases to be an Eligible Employee for any reason (including death);

(B) the Participant suffers an event of insolvency;

(C) the Participant breaches any condition of the Loan or the Plan; or

(D) a Restriction Condition in relation to Shares subject to the Loan is not satisfied by the due date, or becomes incapable of satisfaction in the opinion of the Board (and is not waived).
Where a Loan becomes repayable and at that time a Restriction Condition in relation to Shares subject to the Loan is not satisfied, or is incapable of being satisfied in the opinion of the Board (and is not waived), the Shares must be sold and the Sale Proceeds applied to repay the Loan in accordance with the Plan.

Where a Loan in relation to Shares becomes repayable and at that time Restriction Conditions in relation to the Shares have either been satisfied or are waived, the Company must give the Participant a 30 day period to repay the Loan, failing which the Company must sell the Shares and apply the Sale Proceeds in accordance with the Plan.

**Power of Attorney:** The Participant irrevocably appoints each of the Company and each director of the Company severally as his or her attorney to do all things necessary to give effect to the sale of the Participant’s Shares in accordance with the Plan.

**Plan limit:** The Company must take reasonable steps to ensure that the number of Shares offered by the Company under the Plan when aggregated with:

(i) the number of Shares issued during the previous 5 years under the Plan (or any other employee share plan extended only to Eligible Employees); and

(ii) the number of Shares that would be issued if each outstanding offer for Shares (including options to acquire unissued Shares) under any employee incentive scheme of the Company were to be exercised or accepted, does not exceed 5% of the total number of Shares on issue at the time of an offer (but disregarding any offer of Shares or option to acquire Shares that can be disregarded in accordance with relevant ASIC Class Orders).

**Restriction on transfer:** Participants may not sell or otherwise deal with a Plan Share until the Loan Amount in respect of that Plan Share has been repaid and any restriction conditions in relation to the Shares have been satisfied or waived. The Company is authorised to impose a holding lock on the Shares to implement this restriction.

**Quotation on ASX:** The Company will apply for each Plan Share to be admitted to trading on ASX upon issue of the Plan Share. Quotation will be subject to the ASX Listing Rules and any holding lock applying to the Shares.

**Rights attaching to Shares:** Each Plan Share shall be issued on the same terms and conditions as the Company’s issued Shares (other than in respect of transfer restrictions imposed by the Plan) and it will rank equally with all other issued Shares from the issue date except for entitlements which have a record date before the issue date.
