STARGROUP SIGNS 3 YEAR ATM AGREEMENT WITH SOUTH AUSTRALIAN TOURISM COMMISSION

HIGHLIGHTS

- Stargroup to supply ATMs to the South Australian Tourism Commission for the Clipsal 500 Adelaide event for the next 3 years
- The Clipsal 500 is run by the South Australian Motor Sport Board and is Australia's largest domestic motorsport event with 285,600 attending the event in 2015.
- The Clipsal 500 is the annual opening event of the V8 Supercar calendar

BACKGROUND

The Board of Stargroup (**ASX: STL**) is pleased to announce that it has been awarded the ATM supply contract for the next three years for the Clipsal 500 Adelaide.

The Clipsal 500 Adelaide is Australia's largest domestic motorsport event. The 2015 event was attended by 286,500 patrons and it is one of the state's major tourist attractions generating \$39.76 million in economic benefit to South Australia. It is the first round of the V8 Supercar championship series.

The Clipsal 500 Adelaide has been recognised as a leader among major festivals and events winning numerous awards. In addition to winning numerous South Australian and Australian Tourism Awards during its greater than fifteen year history, the Clipsal 500 Adelaide was inducted into the V8 Supercars Australia "Hall of Fame" in 2005. This was the first time an individual event has been granted this prestigious honour – it has previously been the domain of champion drivers.

The Boards of Stargroup and the South Australian Motor Sport Board recently met to finalise the agreement.

Mr Todd Zani, Stargroup's CEO and Executive Chairman said "This is arguably the best touring car event in the world and it is full of stalls, food outlets, memorabilia shops and other retail outlets that lend themselves to frenetic ATM activity."

"Having competed here as a driver, I know that Adelaide becomes a party town with street parties and other forms of entertainment, all of course with a motor sport flavor but the atmosphere of the event is amazing. It flows over to adjacent entertainment precincts due to Adelaide's unique street circuit thus generating an amazing amount of economic activity."

About Stargroup

Stargroup Limited is the only ASX listed company deploying ATM machines in Australia and importantly, the only listed ATM company having a direct ownership interest in the manufacturer of its ATM technologies.

Stargroup Limited merged with iCash Payment Systems Limited (ASX:ICP) on 7 August 2015 and as part of the acquisition became the exclusive distributor of the cashPod ATM range including the recycler ATM, back office and payment technologies in Australia for the next 5 years.

Stargroup Limited, via its wholly owned subsidiary, StarPOS, is also an EFTPOS and payWave technologies provider via its leveraged wholesale Visa and Mastercard agreement and the launch of StarPOS occurred on 1 October 2015.
