DATED: 19 OCTOBER 2015

**BY ORDER OF THE BOARD

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders of the Company in connection with the business to be conducted at the Annual General Meeting to be held at Level 1, 330 Churchill Avenue, Subiaco, Western Australia 6008 at 9:30 am (WST) on 26 November 2015.

This purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the annual financial report of the Company for the financial period ended 30 June 2015 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

The Company is not required to provide a hard copy of the Company's annual financial report to Shareholders unless a Shareholder has specifically elected to receive a printed copy.

Whilst the Company will not provide a hard copy of the Company's annual financial report unless specifically requested to do so, Shareholders may view the Company's annual financial report on its website at www.carajascopper.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the Directors or the Company.

The remuneration report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The remuneration report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2015.

A reasonable opportunity will be provided for discussion of the remuneration report at the Annual General Meeting.

2.2 Voting Consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, if at least 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of directors of the Company (**Spill Resolution**) at the second annual general meeting.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the second annual general meeting. All of the directors who were in office when the directors' report (as included in the company's annual financial report for the financial year ended immediate before the second annual general meeting) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting those persons whose election or re-election as directors is approved will be the directors of the company.

2.3 Previous Voting Results

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2.4 Proxy Restrictions

Shareholders appointing a proxy for this Resolution should note the following:

Proxy	Directions given	No directions given
Key Management Personnel ¹	Vote as directed	Unable to vote ³
Chair ²	Vote as directed	Able to vote at discretion of Proxy ⁴
Other	Vote as directed	Able to vote at discretion of Proxy

Notes:

1 Refers to Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member.

2 Refers to the Chair (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report), or a Closely Related Party of such a member).

3 Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

4 The Proxy Form notes it is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – MR NICK VON SCHIRNDING

Clause 3.3 of the Constitution of the Company provides that the Board may appoint a person to be a Director during the year. Any person so appointed automatically retires at the next annual general meeting and is eligible for election by that annual general meeting but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Nick von Schirnding, having been appointed as a Director on 4 November 2014, will retire in accordance with clause 3.3 of the Constitution and, being eligible, seeks election at the Annual General Meeting.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – MR MATTHEW WOOD

Clause 3.6 of the Constitution requires that if the Company has three or more Directors, one third (or the number nearest one-third) of those Directors must retire at each annual general meeting, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his appointment, whichever is the longer, without submitting himself for re-election.

A Director who retires by rotation under clause 3.6 of the Constitution is eligible for re-election.

Mr Wood retires in accordance with clause 3.6 of the Constitution and, being eligible, offers himself for re-election at the Annual General Meeting.

5. RESOLUTION 4 – APPROVAL OF 10% PLACEMENT CAPACITY

5.1 General

Listing Rule 7.1A enables entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a market capitalisation of \$300 million or less (excluding restricted securities and securities quoted on a deferred settlement basis).

The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 4.2(c) below).

The effect of Resolution 4 will be to allow the Company to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without subsequent Shareholder approval and without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 4 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

5.2 Description of Listing Rule 7.1A

(a) Shareholder Approval

The ability to issue Equity Securities under the 10% Placement Capacity is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the Company.

(c) Formulae for calculating 10% Placement Capacity

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the following formula:

(A x D) – E

- A is the number of shares on issue 12 months before the date of issue or agreement
- plus the number of fully paid shares issued in the previous 12 months under an exception in Listing Rule 7.2;
 - plus the number of partly paid shares that become fully paid in the previous 12 months;

- plus the number of fully paid shares issued in the previous 12 months with approval of holders of Shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- less the number of fully paid shares cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under the Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

5.3 Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the Equity Securities are to be issued is agreed; or
- if the Equity Securities are not issued within 5 ASX trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.

5.4 10% Placement Period

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- the date that is 12 months after the date of this Annual General Meeting at which approval is obtained; or
- the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main understanding) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

or such longer period if allowed by ASX (**10% Placement Period**).

5.5 Specific Information required in accordance with Listing Rule 7.3A

(a) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of Options, only if the Options are exercised). There is a risk that:

- the market price for the Company's Shares may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Shares on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current issue price.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.0035 50% decrease in Issue Price	\$0.007 Current Issue Price	\$0.014 100% Increase in Issue Price
Current Variable A 136,666,614 Shares	Shares Issued	13,666,661	13,666,661	13,666,661
	Funds raised	\$47,833	\$95,667	\$191,333

50% increase in Variable A 204,999,921 Shares	Shares Issued	20,499,992	20,499,992	20,499,992
	Funds raised	\$71,750	\$143,500	\$287,000
100% increase in Variable A 273,333,228 Shares	Shares Issued	27,333,323	27,333,323	27,333,323
	Funds Raised	\$95,667	\$191,334	\$382,668

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 136,666,614 Shares on issue as at the date of this Notice of Meeting.
2. The issue price set out above is the closing price of the Shares on the ASX on 19 October 2015.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
8. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.
9. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(b) Purpose of Issue under 10% Placement Capacity

The Company may seek to issue the Equity Securities under the 10% Placement Capacity for the following purposes:

- (i) non-cash consideration for the acquisition of new resources, assets and investments including previously announced acquisitions. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
- (ii) cash consideration. In such circumstances, the Company intends to use the funds raised for an acquisition of new assets or investments (including expense associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and/or general working capital.

The Company will comply with the disclosure obligations under the Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities pursuant to the 10% Placement Capacity.

(c) Allocation policy under the 10% Placement Capacity

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity.

The identity of the recipients of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the purpose of the issue;
- (ii) alternative methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company including, but not limited to, the financial situation and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

The recipients of Equity Securities under the 10% Placement Capacity have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new resources assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources assets or investments.

(d) **Previous approval under ASX Listing Rule 7.1A**

The Company did not obtain approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its previous annual general meeting held on 27 November 2014.

The Company has issued no Equity Securities pursuant to the Previous Approval.

During the 12 month period preceding the date of the Meeting, being on and from 26 November 2014, the Company otherwise issued a total of 49,208,938 Shares (post-consolidation) which represents approximately 41.75% of the total diluted number of Equity Securities on issue in the Company at 26 November 2014 which was 117,864,036 (post-consolidation).

Further details of the issues of Equity Securities by the Company during the 12 month period preceding the date of the Meeting are set out in Schedule 1.

(e) **Voting Exclusion**

A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

6. ENQUIRIES

Shareholders are required to contact the Company Secretary on +61 8 9200 6264 if they have any queries in respect of the matters set out in these documents.

Instructions for Completing 'Appointment of Proxy' Form

1. **(Appointing a Proxy):** A member entitled to attend and vote at an Annual General Meeting is entitled to appoint not more than two proxies to attend and vote on a poll on their behalf. The appointment of a second proxy must be done on a separate copy of the Proxy Form. Where more than one proxy is appointed, such proxy must be allocated a proportion of the member's voting rights. If a member appoints two proxies and the appointment does not specify this proportion, each proxy may exercise half the votes. A duly appointed proxy need not be a member of the Company.
2. **(Direction to Vote):** A member may direct a proxy how to vote by marking one of the boxes opposite each item of business. Where a box is not marked the proxy may vote as they choose. Where more than one box is marked on an item the vote will be invalid on that item.
3. **(Signing Instructions):**
 - **(Individual):** Where the holding is in one name, the member must sign.
 - **(Joint Holding):** Where the holding is in more than one name, all of the members should sign.
 - **(Power of Attorney):** If you have not already provided the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.
 - **(Companies):** Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held.
4. **(Attending the Meeting):** Completion of a Proxy Form will not prevent individual members from attending the Annual General Meeting in person if they wish. Where a member completes and lodges a valid Proxy Form and attends the Annual General Meeting in person, then the proxy's authority to speak and vote for that member is suspended while the member is present at the Annual General Meeting.
