

ASX RELEASE

20 January 2016

TMP REPORTS RECORD REVENUE OF \$10.1 MILLION FOR THE DECEMBER QUARTER QTR ON QTR REVENUE INCREASE OF 34% EXCEEDS EXPECTATIONS

- Tech Mpire has achieved record quarterly revenue of \$10.1 million for the December Quarter
- Significantly outperforms quarterly revenue expectations of \$9.4 million outlined in the prior market update
- Revenue of \$10.1 million represents a phenomenal 34% increase on the September quarter
- Marking the sixth consecutive quarter of revenue growth since business launch in July 2014
- Client growth continues to be fueled by:
 - the Company's demonstrated ability to consistently deliver results; and
 - increased demand experienced from outside of North America following successful business development initiatives

Tech Mpire Limited (ASX: TMP) (**Tech Mpire** or **Company**) is pleased to advise it has again achieved record quarterly revenue. Revenue for the December quarter was \$10.1 million, representing a significant revenue upgrade and outperforming the prior revenue expectations of \$9.4 million (refer announcement dated 16 December 2015). The increase in revenue on the September quarter, initially anticipated to be 25%, has grown to 34% for the December quarter.

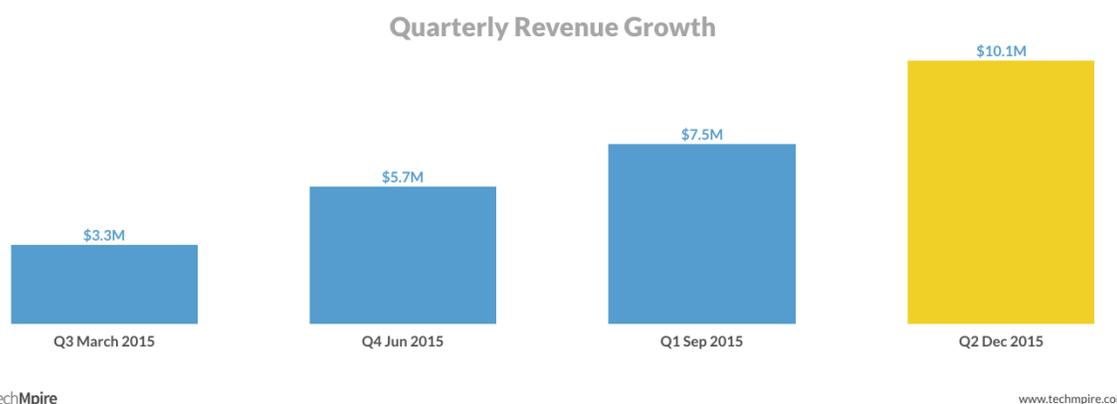

Figure 1: Revenue per quarter growth (unaudited)

The achievement of \$10.1 million in revenue in the December Quarter marks six consecutive quarters of revenue growth since the Company's launch in July 2014. This demonstrates the Company's strengthening reputation as a trusted brand in the online and mobile advertising market.

Tech Mpire's growth continues to be driven by consistent delivery of results for its clients and the key strategic focus of expanding both its client and affiliate base internationally. Further details regarding

Tech Mpire's performance will follow in the Company's quarterly announcement scheduled for release next week. The Company's first half yearly financial report (six months to 31 December 2015) since listing is due to be released in February.

Tech Mpire's Managing Director, Mr Luke Taylor commented:

"Tech Mpire has experienced a strong first half of FY15/16 and achieved another record revenue of \$10.1 million in the December Quarter. We are delighted to have exceeded revenue expectations for the December quarter, and to continue our quarterly revenue growth. We look forward to sharing our first half yearly financial report next month and continuing our rapid growth into the second half of the year."
