EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2015 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.winchesterenergyLtd.com.

4. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

4.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

4.2 Voting consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

For personal use only

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

4.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

4.4 Proxy voting restrictions

Shareholders appointing a proxy for this Resolution should note the following:

Proxy	Directions given	No directions given
Key Management Personnel ¹	Vote as directed	Unable to vote ³
Chair ²	Vote as directed	Able to vote at discretion of Proxy ⁴
Other	Vote as directed	Able to vote at discretion of Proxy

Notes:

¹ Refers to Key Management Personnel (other than the Chair) whose remuneration details are included in the Remuneration Report, or a Closely Related Party of such a member.

² Refers to the Chair (where he/she is also a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report), or a Closely Related Party of such a member).

³ Undirected proxies granted to these persons will not be voted and will not be counted in calculating the required majority if a poll is called on this Resolution.

⁴ The Proxy Form notes it is the Chair's intention to vote all undirected proxies in favour of all Resolutions.

5. RESOLUTIONS 2 AND 3 – RE-ELECTION OF DIRECTORS, MESSRS JOHN KENNY AND JAMES HODGES

ASX Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third AGM following the director's appointment or 3 year, whichever is the longer.

Clause 11.3 of the Constitution provides that at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of three (3), then the number nearest one-third, and any other Director who not in such one-third who has held office for three (3) years or more (except a Managing Director), must retire from office. Any Director appointed by the Directors to fill a casual vacancy or as an addition to the Directors under clause 11.10 of the Constitution is not to be taken into account in determining the Directors who are to retire by rotation.

Clause 11.5 of the Constitution provides that the Directors to retire at any annual general meeting must be those who have been longest in office since their last election, but, as between persons who became Directors on the same day, those to retire must (unless they otherwise agree among themselves) be determined by lot.

A Director who retires by rotation under clause 11.3 of the Constitution is eligible for re-election.

For personal use only

The Company currently has five (5) Directors. Mr Neville Henry is the Managing Director and therefore not subject to retirement by rotation.

Accordingly the remaining Directors have determined that Messrs John Kenny and James Hodges will retire and submit themselves for re-election at the Meeting.

The Directors (other than Messrs John Kenny and James Hodges who have an interest in these Resolutions) support the re-election of Messrs John Kenny and James Hodges as Directors.

Mr Kenny also holds a directorship with Arrowhead Resources Ltd.

The Board considers Mr Kenny to be a non-independent director.

Mr James Hodges

Mr Hodges was appointed as a Non-Executive Director on 30 April 2014.

Mr Hodges is an engineer based in Texas, USA with more than 40 years of oil field experience, having drilled and/or completed oil, high-pressure gas, saltwater disposal, injection, water source, hazardous waste injection and geothermal wells in Texas and Louisiana in reservoirs from sand and carbonates.
