**WiseTech acquires airline messaging distributor CCN Australia**

WiseTech Global Limited announced it has acquired Cargo Community Network Pty Ltd (CCN Australia), the exclusive distributor in Australia and New Zealand of CCN Pte Ltd (CCN)'s global messaging and applications for the air cargo industry.

CCN Australia is the leading supplier of mission critical airline messaging solutions and data integration to support activities of the Australian and New Zealand cargo operations of some of the world's leading airlines, ground handling agents and freight forwarders.

At A\$2.75 million purchase cost and with annual revenues of approximately A\$1.5million this transaction is not material to the WiseTech Global group.

CEO Richard White said "While this is relatively small transaction, the ability to leverage CCN messaging and data integration will provide additional functionality and automation opportunities for the airfreight logistics industry which we expect will extend our relationships with existing and new customers over time."

ENDS

**About WiseTech Global**

WiseTech Global is an innovative, multi-award winning global developer of cloud-based software solutions for the international and domestic logistics industries.
