Dear Dale

G8 COMMUNICATIONS LIMITED (“Company”) – ASX AWARE QUERY

We refer to ASX’s letter dated 10 May 2016 regarding the ASX Aware Query and have included details of ASX’s questions and a summary of the Company’s response below.

1. Does the Entity consider the Information contained in the Vending Machine Announcement to be information that a reasonable person would expect to have a material effect on the price or value of its securities?

Yes.

2. If the answer to question 1 is “no”, please advise the basis for that view.

Not applicable.

3. If the answer to question 1 is “yes”, when did the Entity first become aware of the Information, commenting specifically on the timing of the Trading Halt Request?

The Information was received in the form of three Purchase Orders via email to the Company in California, USA. These Purchase Orders were received from Profile Systems LLC at 4.22pm Pacific Standard Time, USA (PST) on Thursday 5 May 2016 (7.22am Perth Time on Friday 6 May 2016); from Sanmina Corp, contract manufacturer and operator of Coca-Cola Freestyle Vending Machines at 9.03am (PST) on Friday 6 May 2016 (12.03am Perth Time on Saturday 7 May 2016) and from the Electric Power Research Institute at 1.22pm (PST) (4.22am on Saturday 7 May 2016).

A Perth based director was advised via a phone call at 9.20am Perth time on Monday 9 May 2016 (6.20pm USA (PST) on Sunday 8 May 2016) that the Purchase Orders had been received and copies of the Purchase Orders were requested via email. Two of the three Purchase Orders were received by a Perth based director at 12.10pm Perth time on Monday 9 May 2016. Following receipt of the two Purchase Orders and a discussion with the directors, the Company was placed into a trading halt. The third Purchase Order was received via email from the US at 6.24am Perth time on Tuesday 10 May 2016.

4. If the answer to question 1 is “yes” and the Entity first became aware of the Information before the Entity released the Vending Machine Announcement, did the Entity make any announcement prior to the relevant date which disclosed the Information? If so, please provide details. If not, please explain why this information was not released to the market at an earlier time, commenting specifically on when you believe the Entity was obliged to release the information under Listing Rules 3.1 and 3.1A and what steps the Entity took to ensure that the information was released promptly and without delay.

The Company did not make an announcement prior to Tuesday 10 May 2016, however, a trading halt was requested via email to ASX at 12.18pm Perth time and in place by 12.24pm on Monday 9 May 2016. A trading halt was requested to enable the Company to prepare an announcement to release to the market.

Following receipt of the Purchase Orders and to ensure that the information was released promptly and without delay, an ASX release was prepared on Monday 9 May 2016 whilst the Company was in a trading halt and approved by the Board of Directors for release on Tuesday 10 May 2016.

5. Please confirm that the Entity is in compliance with the Listing Rules and, in particular, Listing Rule 3.1.

When and where to send your response

This request is made under, and in accordance with, Listing Rule 18.7. Your response is required as soon as reasonably possible and, in any event, **by not later than 12.00pm WST on Friday, 13 May 2016**. If we do not have your response by then, ASX will have no choice but to consider suspending trading in the Entity’s securities under Listing Rule 17.3.

You should note that if the information requested by this letter is information required to be given to ASX under Listing Rule 3.1 and it does not fall within the exceptions mentioned in Listing Rule 3.1A, the Entity’s obligation is to disclose the information “immediately”. This may require the information to be disclosed before the deadline set out in the previous paragraph.

ASX reserves the right to release a copy of this letter and your response on the ASX Market Announcements Platform under Listing Rule 18.7A. Accordingly, your response should be in a form suitable for release to the market.

Your response should be sent to me by e-mail at tradinghaltspert@asx.com.au. It should **not** be sent directly to the ASX Market Announcements Office. This is to allow me to review your response to confirm that it is in a form appropriate for release to the market, before it is published on the ASX Market Announcements Platform.

Listing Rule 3.1

Listing Rule 3.1 requires a listed entity to give ASX immediately any information concerning it that a reasonable person would expect to have a material effect on the price or value of the entity’s securities. Exceptions to this requirement are set out in Listing Rule 3.1A.

The obligation of the Entity to disclose information under Listing Rules 3.1 and 3.1A is not confined to, nor is it necessarily satisfied by, answering the questions set out in this letter.

In responding to this letter, you should have regard to the Entity’s obligations under Listing Rules 3.1 and 3.1A and also to Guidance Note 8 *Continuous Disclosure: Listing Rules 3.1 – 3.1B*.

Trading halt

If you are unable to respond to this letter by the time specified above, you should discuss with us whether it is appropriate to request a trading halt in the Entity's securities under Listing Rule 17.1.

If you wish a trading halt, you must tell us:

- the reasons for the trading halt;
- how long you want the trading halt to last;
- the event you expect to happen that will end the trading halt;
- that you are not aware of any reason why the trading halt should not be granted; and
- any other information necessary to inform the market about the trading halt, or that we ask for.

We may require the request for a trading halt to be in writing. The trading halt cannot extend past the commencement of normal trading on the second day after the day on which it is granted.

You can find further information about trading halts in Guidance Note 16 *Trading Halts & Voluntary Suspensions*.

Please contact me if you have any queries or concerns about the above.

Yours sincerely
