**ASX Announcement**

**ETHERSTACK PLC**

**[ASX:ESK]**

("Etherstack" or the "Company")

**FY 2016 REVENUE GUIDANCE**

Etherstack plc reports in US Dollars with a 31 December financial year end.

Based on the first five months' revenues, orders currently under fulfilment, ongoing support contracts and estimated royalty rates for the remainder of the year based on historical data, Etherstack management provides full year revenue guidance of between US\$5.8m and US\$6.1m, not including any further new product orders or technology access fees that may be recognised as revenue in the following six months to the financial year end.

Additional orders not yet received for the Company's products and services would result in an increase to this guidance. Any such orders that create a material impact to this guidance will be announced at the appropriate time in accordance with the Company's continuous disclosure obligations.
