 - (B) the Company having received approval for, and commenced, a bridging study on a medical product to extrapolate foreign clinical trial data on safety, efficacy and dose response within a new region; and
 - (ii) 5,000,000 Performance Shares shall convert if, within a period of 24 months from the date of issue of the Performance Shares, the Company has received approval to distribute unauthorised medications to physicians and named patients with unmet medical needs under an early access program,

These terms differ from the terms in the prospectus dated 11 May 2016 (**Prospectus**) in relation to the milestones of the Performance Shares. The terms in the Prospectus refer to Update Pharma achieving the milestones, with the second milestone needing to be met within 24 months from the launch date. This announcement corrects the terms to refer to the Company achieving the milestones within 24 months from the date of issue of the Performance Shares.
