## **APPENDIX 4C QUARTERLY REPORT AND COMPANY UPDATE**

N1 Holdings Limited (ASX: N1H) (“**N1**” or the “**Company**”) is pleased to present this Appendix 4C quarterly report and update on its activities for the period 1 April to 30 June 2016.

### **Company activities update**

During the quarter, N1 launched a new addition to its business, with N1 Realty having commenced trading from 1 July at its first real estate sales office in Sydney. A demand from N1 Loans customers for quality investment properties accelerated the move by N1 into its own real estate business, with the Company now having access to a supply of properties for sale that it can aim to match with qualified investors that have come through the N1 Loans mortgage broking part of the business. N1 Realty will continue to seek growth acquisitions as part of the N1 growth strategy.

The Company also launched LoanRobot.com.au, an English language website that compares a range of mortgage interest rates and calculates borrowing capacity. LoanRobot.com.au will complement the highly successful Chengdai.com.au website targeted at Chinese language speaking Australians.

Early in the quarter N1 entered into a commercial agreement with Ensurance Ltd (ASX: ENA) for the supply of general insurance products to N1 customers via an IT platform white-labelled under the N1 banner. The products extended to customers include Home and Contents Insurance and Landlord Insurance.

This partnership with Ensurance expands the range of financial products that N1 can offer its growing customer base. The provision of these insurance products progresses the Company’s strategy of providing a high level of service as a “one stop shop” for financial services to its customers.

N1’s CEO, Ren Hor Wong said, *“The June quarter has seen an increase in the diversified revenue by 306% compared to March quarter. Diversified revenue accounts for 7.72% of the total revenue and the figure in March quarter was 2.52%. Company trail book has a continued growth of 4.27% compared to previous quarter figure.”*

### **Corporate**

N1’s cash position as at 30 June 2016 was \$3.853 million.
