About DateTix Group

DateTix Group is a leading provider of social and dating products and services, including the DateTix platform, the Lovestruck platform, and premium matchmaking services.

The DateTix platform is a mobile online marketplace that facilitates offline dates by connecting like-minded people who are nearby each other and free at the same times. With the tap of just a few buttons, DateTix members can quickly and effortlessly meet new people at nearby establishments for meals, drinks, live events, outdoor activities and more, for a wide range of intentions, including casual dating, serious relationship, friendship, business networking.

DateTix has developed a proprietary matchmaking engine that algorithmically scores, ranks and matches people based on multiple dimensions of compatibility, to deliver highly personalised and relevant matches to each and every member. With an initial focus on major Asian cities, DateTix plans to build, grow and cultivate leading local mobile marketplaces for dates in major markets around the world. For more information, please visit <http://www.datetix.com>

Lovestruck is a leading premium online dating platform currently operating in Hong Kong, Singapore and the United Kingdom. Founded by Brett Harding and Laurence Holloway in 2006 in London, the platform was expanded to other markets in 2008, including most notably Hong Kong and Singapore. Since its launch, Lovestruck has achieved over 33 million visits and 216,000 subscriptions totaling over \$17 million in revenue via its website, mobile web, iOS and Android apps.

Lovestruck has established itself as a readily identifiable brand position in a competitive yet burgeoning market. Genuinely regarded as a preeminent brand within the dating industry – and a founding member of the Online Dating Association, a new trade body created to set and uphold the highest standards in the industry – Lovestruck has won numerous awards, most notably ‘Online Dating Brand of the Year’ for the second year running at the UK Dating Awards in November 2015.
