Crowd Mobile & Viacom International Media Networks Announce Strategic Partnership To Develop World-First App Products

Highlights

- Crowd Mobile executes a two-year strategic partnership agreement with Viacom International Media Networks (VIMN)
- Crowd Mobile and VIMN will collaborate to develop new apps leveraging VIMN's popular brands and celebrities to maximise global exposure

Monday, 10 October 2016 – Crowd Mobile Limited (ASX: CM8 & FWB-XETRA: CM3) (**Crowd Mobile** or **the Company**) is pleased to announce it has executed a partnership agreement with Viacom International Media Networks (VIMN), a division of Viacom, Inc (NASDAQ: VIAB, VIA) for the development of new apps [mobile device applications].

The two-year strategic agreement gives Crowd Mobile a license to leverage a selection of VIMN's brands for new app development. Crowd Mobile and VIMN's collaboration will build on the popularity of Crowd Mobile's existing apps through the creation of new products.

The joint development will focus on integrating VIMN brands and celebrities into innovative new apps. Crowd Mobile has negotiated a revenue share agreement for VIMN and plans to initially launch five apps to be released in the coming weeks across emojis and Q&A.

Crowd Mobile's Chief Executive Officer, Domenic Carosa: "Crowd Mobile is delighted to partner with Viacom International Media Networks, a significant force in the international media ecosystem with globally recognised brands and celebrities.

Viacom's commitment to partner with Crowd Mobile is a strong endorsement of our ability to deliver world-class mobile products.

We expect to build a successful model that will generate revenue for both partners, and which can then be applied to a broader range of brands and celebrities.

App development is already underway and we are excited to reveal them over the coming weeks."
