About Buddy

Buddy Platform Limited (BUD.ASX) provides one of the world's first data aggregation and management platforms for the IoT and connected devices. Buddy advances The Quantified Economy™ by providing the critical infrastructure by which businesses and organizations can, in real-time, access and analyze the data generated by connected devices, and unlock the economic opportunities delivered by this data.

Buddy Platform users represent a wide variety of industries, including airlines, agriculture, automotive, consumer electronics, robotics, software development, telecommunications, and transportation. Buddy is headquartered in Seattle, Washington, with offices in Adelaide, Australia. For more information, visit <http://www.buddy.com>.
