**ASX Announcement
21 December 2016**

**Milestone #4 of 4: Suncorp live.
All milestones achieved in December quarter**

Highlights:

- Suncorp releases dashboard to customers, marking milestone week, following successful go-live of Barclays Bank earlier this week
- Suncorp is 9 Spokes' second largest channel partner to date and marks the first major Australian channel partner to deliver 9 Spokes' white label business dashboard to customers
- 9 Spokes has now successfully achieved its four targeted milestones for the December quarter, with all four channels live
- Project completion enables invoice to Suncorp for final implementation payment, as well as recurring contracted monthly licence fees.

9 Spokes (ASX: 9SP) ("The Company"), the business insights dashboard for SMEs, is pleased to announce that its white label dashboard for Suncorp Group ("Suncorp") in Australia has gone live (pictured below). Suncorp is the second largest of 9 Spokes' current channel partners, and cornerstones the Australia market, which is home to 2 million SMEs.

Gary Dransfield, Chief Executive Officer, Customer Platforms at Suncorp said:

"The partnership with 9 Spokes reflects our commitment to delivering value for customers through innovation. Working with 9Spokes, we've created a business dashboard that enables Suncorp's customers to gain insights across aspects of their business in one place, both financial and non-financial."

Mark Estall, Co-Founder and CEO at 9 Spokes: *"We are delighted to have Suncorp release the dashboard to the Australian market and to support this innovative Australian business, as it puts customers at the forefront of its business. The ability for 9 Spokes to provide solutions to multiple verticals, including banking, accounting and insurance to date demonstrates the flexibility of our platform."*

All four major milestones achieved during December quarter

With Suncorp's release to market, 9 Spokes has successfully achieved all four major release milestones targeted during the December quarter. During this quarter, 9 Spokes Direct channel (UK), Propel by Deloitte (UK), Barclays Bank (UK) and now Suncorp (Australia) have gone live. In aggregate, 9 Spokes' existing channel partners have a customer base of approximately 2 million SMEs.

World-class collection of software

9 Spokes is proud to be working with a collection of world-class online software applications on the platform. The 9 Spokes smart dashboard allows management and advisors to access a wide range of data and metrics across key areas, from any device at any time. This gives a clear overview of their business and with these insights it's easier to make the big decisions to either manage or grow a business. In addition to accounting applications, the dashboard includes sales, human resources, customer management, inventory and productivity.

This collection of applications includes strong local and global brands, including MYOB and Expensify. MYOB is the leading provider of accounting software for SMEs in Australia. Expensify is a leading global expense management application.

Tim Reed, CEO of MYOB, said: *“For small businesses, data is king; the more intelligent insights an SME can access, the smarter their business decisions will be. We’re thrilled for 9 Spokes to be a part of our ecosystem and we’re excited to work together to help small businesses succeed.”*

David Cardoza, Head of APAC Growth at Expensify, said: *“Expensify is excited to partner with 9 Spokes. Present and future customers will benefit from Expensify’s receipt and expense management system, 9 Spokes’ dashboard, and both solutions’ integrations create a powerful, dynamic tool for small businesses in Australia.”*

About 9 Spokes

The 9 Spokes smart dashboard enables SMEs to connect their software to one dynamic interface - giving them a clear overview of their business. It allows management and advisors to access data and new metrics across key areas, from any device at any time. With these insights, it’s easier to make the big decisions to either manage or grow a business.

Businesses can integrate their supported software into the dashboard as well as choose from a selection of recommended and accredited apps to suit their industry.

The smart dashboard from 9 Spokes is available as a direct model to small businesses and as a white labelled platform that Channel Partners can offer to their SME customer base.
